More Servers wanted

We can never have too many servers, but – as the young man on the right illustrates – it is quite possible to have too few, especially for a *Missa Cantata* which requires at least three servers. Our first Mass of AD 2018 will be a Low Mass because although we have plenty of singers we don't have enough servers. Can you serve or are you interested in learning?

Please [contact us](#) if you'd like to be added to our list of men and boys available to serve from time to time.
