

HELP US REPLACE THE ORGAN

The current organ will be 30 years old next year and has been given a potential life expectancy of only 12 months. Therefore, we now need to replace this instrument with a new one costing **£51,700** which equates to approximately:

*£240 per individual note or
£1,000 per stop*

You may like to sponsor a stop or note to support our vision for a new sound. There are 51 stops and 215 notes available for sponsorship.

Were you married at Holy Trinity? Were you or other members of your family baptised at Holy Trinity? Sponsorship of a stop or note is a wonderful way to commemorate these important events.

Perhaps you run a local business and would like to mark your involvement in the local community by sponsoring a stop or note on the new organ of Holy Trinity Church.

Sponsoring a stop or note in memory of a loved one offers a lasting mark of remembrance.

All sponsorship will be recorded in a special book that will record the name of the sponsor and the reason for the sponsorship. You will also receive a certificate of sponsorship.

If you would like to sponsor a stop or note please fill in the form overleaf and return to Revd Canon David Nichol.
