Who were the Knights Templar?

Speaker: Gil McHattie

A look at this religious fighting Order: their beginnings and their end. The talk will also focus on Herefordshire sites where the Templars were active.

Gil organised a large International conference on the Knights Templar in Sussex in 2009 and from this compiled and edited a book on the proceedings. Her main research is the early Cistercian Order and Bernard of Clairvaux but it is a very short step from St. Bernard to the Templar Knights.
