through the Heritage Lottery Fund

Butterfly Walk

This walk is for all... beginner, improver and anyone with an interest in butterflies and conservation. It will be led by Andrew Wood Butterfly Conservation (Hertfordshire and Middlesex branch).

It will start at 10.30am in Roe Green Walled Garden and then we shall move to Masons Field, Fryent Country Park. Enjoy a fascinating stroll in this stunning nature reserve.

We will finish about 12.00.

Roe Green Walled Garden is open on a Tuesday, Thursday and Saturday from 10.30am - 2.30pm

Masons Field Update

Huge progress has been made in turning this field into a meadow. Thousands of wildflowers and grasses have been planted, a new orchard has been created, seasonal wetland areas have been developed, entrances have been upgraded and improved, ancient trackways have been recovered and informative signage is being installed.
