# **TERLING AND FAIRSTEAD PARISH COUNCIL REGISTRATION OF THE UNITED REFORMED CHURCH, CHURCH ROAD, TERLING AS A COMMUNITY ASSET**

At a recent meeting interest was expressed by the majority of the parishioners attending in registering the above as a Community Asset. We would like to find out if this is something that the community would be interested in, and any ideas that people may have for the use of the building.

Forms are available in Terling Village Stores for you to tell us if you do/do not want the Parish Council to proceed with a Community Asset Registration.

For your information Community Assets are buildings that are primarily being used to further the social well-being or social interests of the local community; and is realistic to think, can continue to be used (whether or not the same use) to further the social well-being or social interests of the local community.
