- Consideration and Approval of request by The Always Welcome Club for funding of £200 to cover part of the cost of coaches for their annual outing (supporting email forwarded previously to Councillors). Proposed by JP, seconded by SC, unanimously approved.

- Review of Financial Regulations - to be reviewed by Finance Committee

- Review of Standing Orders - to be reviewed by Finance Committee

- Review of Business & Financial Risk Assessment – to be reviewed by Finance Committee

15.15

**Environmental & Footpaths**

- Update on P3 Grant - DW had met with Shirley Anglin of ECC Highways and had discuss a few remaining queries (the information would need to be obtained from the handymen.) The paths cutting could not commence until the P3 agreement was formally confirmed.

The Clerk had received complaints about the ditch by Terling Ford. The handymen had attempted to clear it but it needed a digger to complete the work. The Clerk would arrange this.

15.16

**Estate Liaison**

Nothing to report.

15.17

**Health & Welfare**

- Approval for purchase of bin for Playground - Swintex - £164.84 ex VAT. Proposed by IS, seconded by LS, unanimously approved. To be located near to the entrance gate, inside the playground.

- Update on Playground oak tree inspection - SA had emailed Shaun Taylor but had not received a reply.

SA wished to formally record thanks to David Anderson who had repaired the Spring Rabbit and had volunteered to do the same with the Springer Horse in the Autumn. The handymen had discovered that 5 names had been carved into the bark of one of the trees in the playground. It was agreed this needed to be discouraged. SM agreed to speak to the School, although the culprits may possibly not be from the Parish and appeared to be the handiwork of older children.

15.18

**IT & Publicity**

- Update on discussions with County Broadband. JP was still trying to set up a meeting with County Broadband. SA mentioned that some residents had queried which other rural areas were using County Broadband. JP directed her to the County Broadband website where case studies were identified.

- Trevor Lewis had completed the annual Risk Assessment of the Internet Café and found that the keyboard needed replacing, and recommended a wireless mouse. JP would attend to this.

- The Clerk was asked to ensure the contact details for the Rev Keane were available on the Community website. Presently there was just a link to Facebook but no contact phone numbers.
Planning and Highways

APPLICATION NO: 15/00520/FUL Construction of silage clamp - clamp 1, Little Warley Hall, Ranks Green Road Fairstead Essex CM3 2BG. JP reported the Planning Committee had no comment.

SA left the meeting room whilst the next application was debated.
APPLICATION NO: 15/00404/FUL Erection of brick archway; extension of existing picket fence; erection of summer house; removal of existing landscape ponds and replacement with natural stone terrace; creation of borders with suitable plant stock; re-grade and relay lawn areas; relocation of oil tank - The Old Stores Fuller Street Fairstead Essex CM3 2AZ. JP reported that the Planning Committee had no comment. DW mentioned some concerns which the Chairman pointed out were not material planning issues and encouraged him to speak to the applicants privately.

SA returned to the meeting room.

APPLICATION NO: 15/00577/FUL Erection of two storey rear extension 3 Mill Lane Terling Essex CM3 2QG. JP reported that the Planning Committee was surprised the applicant’s previous application had been refused and had enquired whether they would be appealing. There was no comment on the new application.

JP reported that the appeal for the refused planning application for the slurry tank at Little Warley Hall Farm, Ranks Green, had been dismissed by The Planning Inspectorate. The tank would need to be removed within the next three months under the Enforcement Order in place.

Whilst the Council was pleased to see that ECC Highways were repairing many of the area’s roads there was dismay that many residents had not been informed of road closures, some residents had received letters, others had not. Fuller Street had been closed from all directions on one day, effectively closing off the whole hamlet, with no letters having been sent. The Square & Compasses had had no prior warning of the extent of the closure. In another area a road diversion had been set up onto closed roads, which resulted in chaos. The Clerk was asked to inform Cllr Abbott.

The 30mph sign on the right hand side of the road into Fuller Street from the Braintree Road was totally obscured by vegetation. The Clerk would report this.

Recreation Ground
After discussion it was unanimously agreed to waive the training fees decided at the last meeting for Terling Villa Football Club. The Clerk reported that the football field needed to be treated for the explosion of buttercups as they made mowing extremely difficult and time consuming. The expected cost was in the region of £75, IS proposed this should proceed, seconded by LS; the Clerk would make the necessary arrangements and would close the football pitch for a week.

Councillors’ Reports, including Village Hall Report, School Report and Church Liaison
SA mentioned the blocked drains in Fuller Street, which had already been reported to ECC Highways.

Clerk’s Report
- The new Fairstead Church bench would be installed within the next few days.
- The Clerk had informed ECC Highways that the newly installed Essex Way public path sign by Fairstead Church was incorrectly spelt, the carving had been faulty resulting in an unfortunate spelling error.

Review of Risk Assessments for: Footpath Cutting & Clearance and The Work of the Handyman
The Clerk reported that Trevor Lewis was undertaking the necessary risk assessment reviews.
**General Correspondence to note**
- BDC’s letter of invitation to attend one of two training sessions on the Standards Regime and the Code of Conduct: 20th May at Causeway House Braintree at 7pm and Queens Hall, Halstead on 27th May at 7pm.

**Information exchange / next agenda items**
The Chairman suggested changing the start time of meetings to 7:30.

**Date of next meeting, including committees**
The following meetings dates and time were confirmed for full Parish Council Meetings:
- 16<sup>th</sup> June, 7:30pm Terling Village Hall
- 21<sup>st</sup> July, 7:30pm The Gallery Room at The Square & Compasses
- 1<sup>st</sup> September, 7:30 Terling Village Hall
- 13<sup>th</sup> October, 7:30pm The Gallery Room at The Square & Compasses

Close of Meeting: 8:45pm
