

LITTLE GRANSDEN PAROCHIAL CHURCH COUNCIL

Church of St Peter & St Paul, Little Gransden

ACCESS AND AMENITY STATEMENT

It is the intention of the PCC that the Church will be open all day to all those who wish to visit it. There is an effective system by which the Church is unlocked between 9am and 5pm (or dusk when this is earlier). There is a clear notice in the porch.

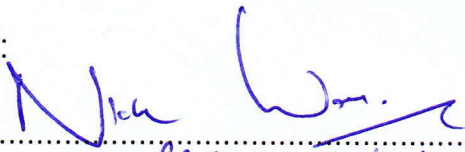

No charge is made for admission.

Parking for the disabled is available outside the churchyard in Church Walk. A level path then leads to the church door.

There are two shallow steps at the entrance to the Church that could perhaps present difficulties to the elderly or to wheel chair users. The first of these has been converted to a slope, and we intend to do the same with the second.

There is no water supply or drainage to the Church. In the long term we should like to provide these things, so that a kitchen and toilet facilities can be installed.
