## Chairman's Notes

A number of our regular walkers have consented to having their mobile telephone numbers added to the Havering Ramblers own mobile. This facility certainly proved useful last winter when a number of walks were cancelled at short notice due to adverse weather conditions. Please note, however, it is incumbent upon individuals to keep me updated with any changes to their mobile numbers should they change.

I mentioned in our last programme that our current treasurer, John Whitten, will retire from this post at the next AGM. It gives me great pleasure to announce that John Smith has volunteered to take over from John subject only to ratification by members at the AGM.

The post of Treasurer is one of the key functions within the group and I would take the opportunity to thank John for his dedication and diligence in this important post.

Finally, don't forget our next coach trip on Tuesday, 20<sup>th</sup> August when we are off to Faversham in Kent. Sun, sea and good company all for a price of £12pp. Now that has to be a bargain in these straitened times.

## **Something to look forward to**

*We are planning to hold a Christmas lunch for the group on a Tuesday in December. Further details to follow.*

## **Secretary's Report**

I regret to report that Essex Area Vice President and Area Countryside Secretary, Kevin Ascott, died on the 15th February, after a short illness. A memorial walk is arranged from the Bell Public House, Purleigh at 1.30pm. Saturday 12th October. All are welcome to join.  
GR TL841 020. Post code CM3 6QI. 5miles. Contact Alan Goffee on 01371 876792 for further information.

## **AGM**

Our AGM this year will be held in Hurford Hall which is behind Upminster Library on the 30<sup>th</sup> October at 7.30 pm. There is a form for proposing the new committee members in the back of this programme.

## **Havering Footpath & Countryside Officer**

### **Footpath Maintenance Working Party**

Thank you from me and Havering Council to everyone who has already helped with footpath maintenance.

There are further opportunities this year for you to join in this worthwhile activity. Provisional dates are July 12th, August 16th, September 13th, October 11th and November 15th.

Our usual meeting time is 9.45am near where we will be working and we usually finish by 1pm.

Information about the jobs will be available from me on a monthly basis. It would be very helpful if Ramblers would let me know of footpaths in Havering where they feel work needs to be done.

## **Footpath Maintenance Working Party (contd)**

***NB: As an additional reminder we have included the Provisional dates of the Footpath maintenance working parties to the body of the programme. We hope that this will help all walkers to plan a date when they can participate in one of the working parties. A clear path makes it much easier for all members.***

### **The closing date for the next programme is the 31<sup>st</sup> October 2013**

It would be much appreciated if you could supply your walks as soon possible especially if you require a specific date. Our drop dead date is the 31<sup>st</sup> October but please remember the later you leave it the likelihood the dates that you require will be more restricted.

If you would like to lead a walk on the next programme, please contact a member of the committee who I am sure will be happy to help you.

Can you please give your walk for the next programme to either Peter O'Neill on 01708 455626 or Peter Rees on 01708 445177 or [peter.rees2@virgin.net](mailto:peter.rees2@virgin.net)

***The committee would like to thank all the people who have given up their time to lead walks for us all.***

***It is getting more and more difficult to fill the walks programme. You will see that there are two gaps in this programme so please remember that we are always in need of people to lead our walks and that if we have no leaders we have no walks!***

## **Web Site**

### **Probably the best web site in the world.**

Now we have your attention, we would admit that there may be better web sites, but ours is very good. A big thank you to everyone who has submitted items for inclusion on the site. I hope you like the results.

Like Oliver Twist, can we have more please?

Another big thank you to everyone who has elected not to have a printed copy of the programme. I send one to everyone on my e-mail circulation list to have a look at, but of course all the information is on the web site in easy bytes. Have a look and see if it meets your needs. We can save the planet by not producing stuff which is not needed. And it saves production and postage costs. E-mail [haveringeastlondonramblers@gmail.com](mailto:haveringeastlondonramblers@gmail.com) to join the scheme. If you are reading this on your computer just click the link to start.

## **All walks**

If the weather is inclement, it is important to either check our web site as noted on page 1 or contact the leader to see if the walk will take place.

Please Telephone the walk leader direct for specific walk related queries before phoning group mobile phone number.

**Please check for the availability of public transport on the TFL web site, before travelling at weekends to allow for the planning of alternative routes.**

## **Car share**

Please car share where possible, as parking is often quite limited.

## **Curry Evening**

Curry night is Wednesday **25<sup>th</sup> September 7.30pm** at the Railway Hotel, Hornchurch. The curry is optional as the full Ember Inn menu is available. The curry evening is held in the function room so there is no scramble for a table in the bar. The venue is next to Hornchurch District Line Station, buses 252, 193, and 256 also pass the door. Further details can be obtained from Tony Hyde on 01708 551470.

## **Walking with the Ramblers**

‘All sporting activities have inherent hazards associated with them, and rambling is no exception. In spite of the safety of members always being the paramount concern, accidents will occasionally occur. It is therefore important that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity, and take all reasonable steps to eliminate or minimize the potential for an accident to occur’.

The Ramblers Association is a company limited by guarantee, registered in England and Wales. Company registration number 445892. Registered charity in England and Wales Number 1093577. Registered office, 2 Floor, Camelford House, 87-90 Albert Embankment London SE1 7TW.

## **Dogs on walks \***

We have been informed by Ramblers Head Office that we need to comply with the Disability Equality Act (2010).

We will continue to let Walks Leaders decide whether it is appropriate to allow dogs to participate in their walks, but even in cases where it is decided not to allow dogs to participate in a particular walk, we must allow registered assistance dogs to participate with their owners e.g guide, hearing, service, therapy and seizure alert dogs.

***As a general rule only “Registered Assistance Dogs” will be allowed on walks unless the Walks Leader specifies that dogs are welcome.***

## **Obituary**

It is my sad task to tell you all of the death of David Fullman.

Dave joined the group along with Sandra in the early nineties and soon became involved in Group affairs, joining the Committee and becoming Chairman in 1993. This was a difficult time for the Group, since money allocated from RA was not sufficient to run it and there was a possibility that it would have to close. This was resolved during Dave's Chairmanship and happily the group survived.

Keen on more adventurous stuff, he along with other members joined the Long Distance Walkers Association, completing many marathon distances and more. The Group as a whole benefitted from this, as we organised numerous Group holidays, to such places as The Lakes, Derbyshire, IOW, and the Black Mountains, Brecon Beacons. Dave and Sandra were ever present on these excursions. On one occasion whilst walking the Cats Back, we stopped at a favourite watering hole (The Bull at Craswell) which would always open up if you banged on the door hard enough. And Dave did. Once inside, after a pint or two Dave produced his lunchbox and announced his latest diet of sausages and beetroot. The diet never worked, but it had us all in stitches. On another occasion after climbing one of the peaks in the Black Mountains, we sat down to eat and Dave produced a bottle of wine. How he kept it chilled I will never know, but that was Dave and those times would never have been the same without him. But now we must do without him.

Rest in peace Dave

Micky (Doyle).

## CLUB FOCUS

*Havering  
East London  
Ramblers*

The group has taken part in walks all over the country

# Lovers of outdoor life making great strides

Ramblers chairman Peter O'Neill invites everyone to join and enjoy the delights of countryside walking

**T**he Havering and East London Group formed in 1988.

We meet on Tuesday and Saturday mornings for a walk, normally of five to six miles.

The Sunday walks tend to be longer, and are all day. There are also some evening rambles during the summer.

The meetings vary between local places, such as Thorndon Park, or further afield, Danbury, Hadleigh, Waltham Abbey, etc.

In addition we provide a number of London walks, especially in winter when

fields are very muddy.

There are some themed walks – bluebell time, looking at war memorials in London, for example.

We organise coach rambles during the spring and summer.

Last year we visited Alton Waters in Suffolk and Canterbury in Kent. Both proved to be highly successful.

Our footpath officer has organised monthly working parties, with the co-operation of Havering Council, to clear blocked footpaths of overgrown vegetation.

They take a break during

the winter but resume from March, weather permitting.

Our walks are an opportunity to see the best of the countryside, away from roads, towns and traffic.

All are welcome to join us.

## **Ramblers Holidays Walking Partnership**

The Havering and East London Ramblers group has recently joined The Walking Partnership.

This new partnership, supported by Ramblers Worldwide Holidays, provides direct financial contributions to local walking groups to help with organising group walks, encouraging people to get out walking, helping to clear and improve footpaths, providing equipment to help walkers etc. Over the past 65 years, Ramblers Worldwide Holidays has given many millions of pounds to assist walking charities and conservation projects in Britain and the countries they visit on their worldwide holidays. Now our group can benefit directly.

Ramblers Worldwide Holidays operate group walking holidays in the UK and all around the world. Each holiday is accompanied by a qualified walks leader, so you can leave all the organising to them and just enjoy meeting like minded people and of course, some fantastic walking. Holidays are graded in terms of difficulty, and there is a full range from sightseeing right up to hut-to-hut mountain treks. Take a look at their website on [www.ramblersholidays.co.uk](http://www.ramblersholidays.co.uk) or give them a call on 01707 33113 for more details or to order a brochure.

Remember when you book to quote the name of our group, and we will then receive a contribution of £10 per person on UK holidays, £20 per person on short haul holidays, and £30 per person on long haul holidays. This extra funding could really make a difference to us
