August-November 2014**

## **Chairman's Notes**

The coach trip to Southwold will be on Tuesday, 19<sup>th</sup> August 2014. Details of pick-up points are given in the programme. Coral is taking the bookings and the price is £15pp.

Our footpath secretary Joan has been talking to her opposite number James Rose at Havering Council in an effort to get Havering's Definitive Footpath maps updated. The eventual aim is to digitalise these maps and make them available online to all walkers and the public at large. As a first step in the process we are looking for clerical volunteers to spend time working under supervision in James' office at Langtons checking footpath documentation going back to 1971. Ideally we need 6 – 8 people who are prepared to commit to helping for one or two morning or afternoon sessions in July or August. This is a task that needs to be done for the benefit of a great number of current and future walkers. If you would like to be involved would you please give your name and a contact telephone number to either Joan Bullivant or myself?

Your committee is ever conscious that the money spent on running our group originates, in part, from your subscriptions. In order to keep costs down we are asking once again whether you would prefer to have your copy of the programme delivered by email thereby saving on printing and postage costs.

Please contact Peter Owen our Web-master if you would like to make the change.

The two news items below have been taken from the current issue of the Rambler's South East Walker newspaper.

1. The Epping Forest visitors centre at High Beach has re-opened. It will initially open on Fridays, Saturdays, Sundays and Bank Holidays 11.00 – 16.00 hrs in summer and 10.00 – 15.00 hrs in winter.
2. Dagnam Park in Havering is set to double in size with a 190 acre extension over former agricultural land plus additional 10 acres adjoining the M25.

### **Something to look forward to**

*We are planning to hold our regular Christmas lunch for the group on Tuesday 16<sup>th</sup> December at the Olde Plough. Further details to follow*

### **Secretary's Report**

Your presence is requested at the annual AGM on Wednesday October 22<sup>nd</sup> commencing 7.45pm. The location is Hurford Hall, behind Upminster library on Corbets Tey Road. A nomination form is in this programme.

I regret to report that Anne Duffy (Little Anne) died in March. Although not belonging to this group, she regularly walked with us and will be sadly missed by many members.

### **Havering Footpath & Countryside Officer**

#### **Footpath Maintenance Working Party**

Thank you from me and Havering Council to everyone who has already helped with footpath maintenance.

There will be further opportunities on the next programme for you to join in this worthwhile activity. *The first provisional date on this programme is Friday 15 August.*

## **Havering Footpath & Countryside Officer cont'd**

Our usual meeting time is 9.45am near where we will be working and we usually finish by 1pm.

Information about the jobs will be available from me on a monthly basis. It would be very helpful if Ramblers would let me know of footpaths in Havering where they feel work needs to be done.

***NB: As usual we include an additional reminder of the Provisional dates of the Footpath maintenance working parties in the body of the programme. We hope that this will help all walkers to plan a date when they can participate in one of the working parties. A clear path makes it much easier for all members.***

### **The closing date for the next programme is the 31<sup>st</sup> October 2014**

It would be much appreciated if you could supply your walks as soon possible especially if you require a specific date. Our drop dead date is the **31<sup>st</sup> October 2014** but please remember the later you leave it the likelihood the dates that you require will be more restricted.

If you would like to lead a walk on the next programme, please contact a member of the committee who I am sure will be happy to help you.

Can you please give your walk for the next programme to either Peter O'Neill on 01708 455626 or Peter Rees on 01708 445177 or [peter.rees50@btinternet.com](mailto:peter.rees50@btinternet.com)

***The committee would like to thank all the people who have given up their time to lead walks for us all.***

***Although it is getting more and more difficult to fill the walks programme, we have managed to fill most walk dates in this programme, but please remember that we are always in need of people to lead our walks and that if we have no leaders we have no walks!***

## Web Site

### **Probably the best web site in the world.**

Now we have your attention, we would admit that there may be better web sites, but ours is very good. A big thank you to everyone who has submitted items for inclusion on the site. I hope you like the results.

Like Oliver Twist, can we have more please?

Another big thank you to everyone who has elected not to have a printed copy of the programme. I send one to everyone on my e-mail circulation list to have a look at, but of course all the information is on the web site in easy bytes. Have a look and see if it meets your needs. We can save the planet by not producing stuff which is not needed. And it saves production and postage costs. E-mail [haveringeastlondonramblers@gmail.com](mailto:haveringeastlondonramblers@gmail.com) to join the scheme. If you are reading this on your computer just click the link to start.

## All walks

If the weather is inclement, it is important to either check our web site as noted on page 1, or contact the leader to see if the walk will take place.

Please telephone the walk leader direct for specific walk related queries before phoning group mobile phone number.

As you are all aware we have been attracting 50 plus walkers on our London walks with a significant number of these not being members of our group. This is due to a large proportion of these people picking these walks up on Walk Finder. Therefore if you would prefer not to have your walk included in Walk Finder please let the Walks Secretary know when you supply your walk details.

***Due to a request from members of the group living in the Harold Wood area the committee has decided that walks that start in central London and beyond on Tuesdays will have a start time of 10:45. Timing of walks on Saturdays will still be at the discretion of the walk leader.***

**Please check for the availability of public transport on the TFL web site, before travelling at weekends to allow for the planning of alternative routes.**

### **Car share**

Please car share where possible, as parking is often quite limited.

### **Walking with the Ramblers**

‘All sporting activities have inherent hazards associated with them, and rambling is no exception. In spite of the safety of members always being the paramount concern, accidents will occasionally occur. It is therefore important that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity, and take all reasonable steps to eliminate or minimize the potential for an accident to occur’.

The Ramblers Association is a company limited by guarantee, registered in England and Wales. Company registration number 445892. Registered charity in England and Wales Number 1093577. Registered office, 2 Floor, Camelford House, 87-90 Albert Embankment London SE1 7TW.

### **Dogs on walks \***

We have been informed by Ramblers Head Office that we need to comply with the Disability Equality Act (2010).

We will continue to let Walks Leaders decide whether it is appropriate to allow dogs to participate in their walks, but even in cases where it is decided not to allow dogs to participate in a particular walk, we must allow registered assistance dogs to participate with their owners e.g guide, hearing, service, therapy and seizure alert dogs.

***As a general rule only “Registered Assistance Dogs” will be allowed on walks unless the Walks Leader specifies that dogs are welcome.***

## **Ramblers Holidays Walking Partnership**

The Havering and East London Ramblers group has recently joined The Walking Partnership.

This new partnership, supported by Ramblers Worldwide Holidays, provides direct financial contributions to local walking groups to help with organising group walks, encouraging people to get out walking, helping to clear and improve footpaths, providing equipment to help walkers etc. Over the past 65 years, Ramblers Worldwide Holidays has given many millions of pounds to assist walking charities and conservation projects in Britain and the countries they visit on their worldwide holidays. Now our group can benefit directly.

Ramblers Worldwide Holidays operate group walking holidays in the UK and all around the world. Each holiday is accompanied by a qualified walks leader, so you can leave all the organising to them and just enjoy meeting like minded people and of course, some fantastic walking. Holidays are graded in terms of difficulty, and there is a full range from sightseeing right up to hut-to-hut mountain treks. Take a look at their website on [www.ramblerssholidays.co.uk](http://www.ramblerssholidays.co.uk) or give them a call on 01707 33113 for more details or to order a brochure.

Remember when you book to quote the name of our group, and we will then receive a contribution of £10 per person on UK holidays, £20 per person on short haul holidays, and £30 per person on long haul holidays. This extra funding could really make a difference to us

Explore the world  
with us, and your  
walking group  
benefits too.
