PROGRAMME AND NEWSLETTER

April – July 2011

Web Site

If you would like to receive your programme by e-mail instead of a paper copy, please contact Peter Owen on haveringeastlondonramblers@gmail.com. By obtaining your copy in this way, it will save us printing and postage costs. The programme is the largest outlay from our Funds. A programme, will of course, still be printed, but we are hoping to be able to cut down the number being run off. However, if you decide after a trial of receiving the programme via e-mail, that you would rather revert to the printed copy, please just send another e-mail to Peter Owen on the above web site, and you will then be sent paper editions. All Members with e-mail addresses are urged to try the new system.

Walking with the Ramblers

‘All sporting activities have inherent hazards associated with them, and rambling is no exception. In spite of the safety of members always being the paramount concern, accidents will occasionally occur. It is important, therefore, that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity, and take all reasonable steps to eliminate or minimize the potential for an accident to occur’.
