### 4-day guideline itinerary:-

**Day 1:** Coach departs PC Coaches Depot, Lincoln at 8.30am prompt. Commence journey south taking the A46 towards the Cotswolds.

We make a coffee stop at **the Cotswolds Garden Flowers Nursery** near Evesham before our visit to **Kiftsgate Gardens**, idyllically situated near Chipping Camden with wonderful views, unusual shrubs, tree peonies, hydrangeas and old fashioned roses. Please take a packed lunch or buy something in the Kiftsgate Café. Following our visit we continue to Herefordshire and our hotel

**Day 2:** Depart hotel and travel to **Rhodds Farm** at Lyonshall, created by Richard and Cary Goode. Arrive at **Grendon Court** at Upton Bishop in time for lunch. This contemporary garden was the brainchild of Tom Stuart Smith, planted on two levels and featuring a collection of mass planted perennials and grasses. Lunch will be taken here. Then it's onto **Brockhampton Cottage**, also created by Tom Stuart Smith working with the owner Peter Clay - a beautiful hilltop garden with its own lake, stream and arboretum.

**Day 3:** Our first stop today is at **Mulberry House** at Ross on Wye, a small, but delightful half acre garden created 12 years ago. Our next visit is to **Poole Cottage**, a two acre hillside garden of naturalistic style with grass hedges, a small orchard and a kitchen garden with lovely views.

Our highlight today is the exquisite **Laskett Garden** at Much Birch. These are the largest private formal gardens to be created in England since 1945, covering 4 acres. Please note: A packed lunch has been included today

**Day 4:** Homeward bound, we leave the hotel and travel to Bampton for our visit to the **Aston Pottery and Garden** where five stunning borders flower through from June to November. Purchase lunch in the café. From here we continue home, aiming to be back in Lincoln at approximately 6pm
