Matches shall generally be played on Friday evenings commencing at the times listed and in accordance with the Fixture List attached. If possible, in the event of inclement weather we would hope to re-arrange the fixture list. In this connection the challenging team (i.e. first named) will offer their opponents a minimum of three alternative dates/times to play the postponed match. If either the challengers or their opponents are unable to complete the postponed match by the next Friday fixture date the offending team shall forfeit the match and the other team will be awarded two points and a shot difference of +5.

The organisers shall be responsible for arranging “stand-ins” as required and for ensuring a full **mixed** team of three players for each match. **A “stand-in” may not act as Skip and can only be used once during the duration of the league.** If a team is unable to enter a match with a full mixed team of three players the offending team shall forfeit the match and their opponents will be awarded two points and a shot difference of +5.
