Meon Valley Bowling Club

The News section of the website for 2019 – unedited

Winter solstice and Christmas!: The days will be getting longer now and it's Christmas! Have fun everyone.

December 200 club: this month's winner was Malcolm Croucher.

John Linter: Norman (Chatfield) conducted John's funeral this afternoon, click <u>here</u> if you would like to see the Order of Service. John was well known within the local community and further afield; we will remember his quiet but willing nature and all his efforts on and off the green with us. Our thoughts are with all those saddened by his passing, especially Betty.

Management committee: agenda, reports and minutes of the meeting held on 10 December now available in the Members only area.

Meeting for all lady members: a date for the new diary - Thursday 9 January at 12.30pm - primarily to make decisions regarding S&DWBA league entries and having a lady captain in 2020, convened by Lesley Andrews.

Last chance: to buy your grand draw tickets ahead of the Christmas social event on Saturday (21).

Safety feature: there are now tow extra lines in the ditches of the indoor mats (picture in Gallery) - please push bowls to either side leaving the area behind the mat clear.

Indoor triples league: the full round of matches has now been concluded - see under Leagues, we're back on 2 January for the start of the reverse fixtures.

Health & safety report: has recently been made available and has been added to the reports listed with the other AGM reports in the AGM section in the Members only area.

Green box runner: could you be one of these? It involves regularly emptying the green box, noting the contents and getting the cash to any Post Office. It would a great help to our new Treasurer (Anne Simmons) and her assistant Jen Flinter. for more information contact <u>Anne</u> or former Treasurer <u>John Dancy</u>.

AGM minutes: and notes from the discussion time are now available in the Members only area.

Hamblin trophy: selection for match on 12 January (date not correct on notice board) now available under League tab.

Indoor mixed triples one day competition: scheduled for Sunday 19 January - the sign up sheet is now available in the pavilion. We'll need between 24-30 players plus a few reserves; if there are too many a draw will be made. The cost will be £5 (entry and mat fees). David and Lesley Andrews are kindly organising the event.

Palmerston Cup: three tough games for the A team who lost on two rinks and drew on one, meant we lost to Milton Park

Inside Bowls: click here for the December edition.

John Linter's funeral: will take place at 2pm on Thursday, 19 December at St. Peter's Church, Bishop's Waltham. Afterwards there will be refreshments at the Masonic Hall in Botley (not Durley). All are welcome

Selection for friendly matches: for the early part of January are now available under the Friendly matches tab.

Sad loss: John Linter has passed away. John was a very early member of the club, was our President in 2006 and his service was honoured with a life membership. Details of the funeral arrangements will be posted here when they are known.

Comments, suggestions etc.: about how the club is running and constructive suggestions for improvement are always welcome - please channel them through the Ordinary member on the Management Committee, <u>Dave Reynolds</u>, or drop a note into the yellow box situated half way along on the window side of the pavilion. The new management committee will be meeting next week on 10 December.

Indoor triples league now updated: the website has woken up and the results and revised league tables for the indoor triples leagues are now available under the Leagues tab. *An error in the team results and league positions for Friday's league has now been corrected.*

Mixed fortunes on Sunday: we won in the Hamblin Trophy match v Atherley but lost in the Palmerston Cup match v Priory.

Let's all take care: wiping outdoor shoes really well to remove grit and mud on entry; always pushing woods to the corners of the fenders before anyone gets on the mat; warn everyone before you play an intentionally vigorous (firing) shot; ensuring all lights are switched off when securing the building on leaving.

Amended constitution: the new amendments adopted at our recent AGM have now been incorporated into the constitution. Click <u>here</u> to see a copy, and there's also one in the Members only area.

Ladies in leagues: early in the new year the club will need to decide how many teams to enter in the Southampton and District Women's Bowling Association leagues, and of which type (rinks or triples). It's not as scary as it might seem, and is a great way of increasing your experience and getting to know other clubs and their players whilst playing with your mates. All you need is a pair of white trousers, a club shirt and a free diary on Thursday afternoons between May and August. We need at least 25, preferably 30, to run a rinks and a triples team as we did last season but - even better - if we had many more we could have a third entry. If you are are interested be sure that Lesley (Andrews), our ladies' match secretary, knows that by either signing the notice in the pavilion or sending an <u>email</u>.

Help with one day competitions: David Andrews, our competitions co-ordinator, is looking for some assistance with three one day competitions in 2020: President's Shield (Sunday 16 February), Smith Plate (Sunday 7 June) and Penniall Plate (Saturday 15 August). Guidelines on how each of the events should be run will be provided and you may also play, if you wish. To volunteer for any (or all!) of these competitions or to get more information please contact <u>David</u>.

Website snooze: we're having a bit of a nap now until after 3 December.....zzzzzzz.

DEADLINE: entries for Bowls Hampshire competitions 2020 close on Sunday, 1 December be sure you have signed up - in the locker rooms. Don't worry about the entry fees - the Treasurer will pay now, and send you a message about how much you owe later.

Grand draw: the board is now up - it's a £1 a go, pick your own tickets and pay following the instructions. There's usually a fabulous array of prizes ready for 21 December. Thanks to Sally Hurst who is taking ressponsibility for this task and helping the social committee

Good news for Lasses!: they won the annual competition against the Lads (I'll whisper the score: 90-59), all went smoothly thanks to Lesley and David Andrews the organisers. Photos in Gallery.

AGM summary: Bill Bailey duly succeeded Sally Hurst as President and all those that were nominated were elected, and two of the three proposals were agreed (see in members only area). There are a few vacancies (vice presidents and on a couple of the sub committees) and the management committee's first task will be to get them filled - please let Judith (Moss) know if you are willing to be considered. Very grateful thanks were given to John Dancy (Treasurer) and Chris Brett (Ladies' Match Secretary) for their efforts over the last few years and we welcomed Anne Simmons and Lesley Andrews in their stead. Formal minutes of the AGM and the informal discussion will be published shortly.

OOOhhhh... there's a problem: if you are a lady (well female will do!) and have not entered the ladies pairs or mixed pairs knockout competitions but are willing to fill in for a couple that have had to withdraw please contact <u>Howard Felgate</u>, the organiser, by this Friday (22). There will be a draw if there are too many volunteers.

The Haemophilia Society received a cheque for £1,750 from President Sally and the annual and monthly draw for November for the **200 club** was made: monthly - John Gray (£25) annual - first prize Roger Morfill (£309), second prize Sue Edgington (£206) and, unbelievably, third prize (£103) went to Mary Morfill. Thursday and Friday night triples leagues: it all gets going next week (31 October)...but we're still short of a few reserves. If you don't play in the leagues, or if you usually play on Thursday but might be available on Fridays (or vice versa) for a team that is short, please let <u>Judith Moss</u> know or add your name to the list at the club - she and Heathcliffe will be delighted. All reserves are allocated by the organisers.

Hamblin trophy: not for the faint hearted! This was the first week of this indoor league at Riverside IBC in Winchester - we won on one rink but lost only narrowly on the other to pull off an overall victory by 1 shot. Click <u>here</u> for the final results and table.

S&D women: getting to the business end of the season now. The Rinks A team won at home against Hyde Abbey (46-37 shots, 3-1 points) to consolidate second place with two matches to go. Busy, or what?!

S&D women competitions: good news - Janet Felgate is through to the final of the 4 wood singles after her win today.

It's all over - again!: a thumping good win at home to Pirrie Park by 77-53 shots, 7.5-0.5 points brings the Combination 3 league to a close, and a mid table finish.

S&D women: double disappointment this week with the Rinks A team unable to catch top of the league Atherley with a loss by 45-33 shots, 3.5-0.5 points and the Triples A team losing to table toppers Pirrie Park by 28-36 shots, 1-3 points.

Palmerston Cup: gosh, you really get the feeling that the end of the outdoor season is in sight when it's sign up time for this Sunday evening indoor league played in Fareham. See under leagues for more details, otherwise we need names on the sign up sheet at the club by 18 August to determine how many teams we should enter.

Friendly matches: the match v Old Netley on Saturday (10) has been cancelled by our opponents, but the match v Folland on Wednesday (14) is going ahead - selection under Friendly matches tab.

It's all over!: for the S&D men's Combination league season. The league 1 team lost at home to undefeated champions Atherley (40-62 shots, 0-6 points) and are relegated but the better news is that, despite a loss away to Colden Common (50-47 shots, 4-2 points), the Combination 4 team are champions and go up the Combination 3 league next season.

S&D men: a good win this evening (69-84 shots, 2-6 points) away against Hyde Abbey in the Combination 3 league.

S&D women: a nail biting end to the Rinks A league game at home against Hedge End 1 brought home 3 points (41-39 shots) and keeps us in second spot. The Triples A team though had a tough fixture against County away and went down 55-22 shots, 4-0 points and are in danger of relegation.

S&D men: sadly, it's definitely a bottom of the league place for the Combination 1 team after their loss to Fleming Park (65-59 shots,4-2 points), but there might be very good news for the Combination 4 team - if only we can find out the score! Watch this space: the Combination 4 team beat Pirrie Park (76-49 shots, 5-1 points) but elewhere there's a dispute about last week's Colden Common v Pirrie Park fixture which could affect league positions, but a good win away to Colden Common next Tuesday (6 August) should put the title beyond doubt.

Penniall Plate: scheduled for Saturday 17 August. Click here for the draw and further details.

September Cup: sign up sheet now available for this popular series of triples inter-club matches - please take care with the dates.

Latest selections: the remainder of this season's S&D men's leagues matches and the friendly match v Pirrie Park on 7 August are now available under the relevant tabs.

S&D men: I know this might sound a bit crazy... but it's either very good or very bad news in the Championship 3 league. We played BTC away, however there has been some confusion about the venue. So the reporting is either we won (92-71 shots, 1-7 points), or it's the complete reverse. Keep your fingers crossed and we'll update this when we can. UPDATE: it's good news!

S&D women: double joy as both teams won. The Rinks A team beat Mayfield Park 1 away (31-55 shots, 0-4 points) to retain top spot, and the Triples A team won at home against Sports Centre (35-23 shots, 4-0 points)

Bowls Hampshire county finals: Janet Felgate, Chris Batty, Chris Robinson and Sally Hurst had a nail biting match against Milton Park. After a slow start they caught up and were 4 shots ahead going into the 21st end. A tight measure resulted an extra end - which they lost. No disgrace, but a disappointment. Lovely to have a small band of supporters. Janet and Chris (R) were pleased to have their county 'badge' status confirmed - the first in the club.

D-Day 75th celebration: a short game of Irish bowls, English weather, eats with your mates, dressing up as though you were in the 1940's, a bit of bingo, head scratching over a quiz (those in advance years had a distinct advantage!), a knees up, a sing along and a raffle - what more could you want? A success - well done everyone. Photos now in Gallery.

Progress in external competitions: loads of good news - in the BH men's competitions Howard Felgate is still in the singles; in the women's competitions, Joy Travers and Janet Felgate have to play each other in the 2 wood Singles to reach the area final, Marian Bailey and Chris Brett in the Pairs and Janet Felgate, Chris Batty (with the help of Audrey Moore), Chris Robinson and Sally Hurst in the Fours have already reached the area finals, Chris Robinson and Janet Felgate are still in the Over 55's pairs. We're in the next round of the BE Tony Allcock (mixed 2 rinks) competition and Chris Brett and Adie Booth are still in the BE mixed pairs...there may be more, it's confusing trying to keep track!
