

Come walking in and around Denby Dale

Come walking in the beautiful countryside of the Denby Dale district. Discover the villages of Denby Dale itself; Birdsedge and High Flatts; Clayton West; Upper and Lower Cumberworth; Upper and Lower Denby; Emley and Emley Moor; Scissett; and Skelmanthorpe, with their rich and fascinating heritage...and an excellent network of public rights of way.

These 14 accompanying leaflets describe walks of varying length covering most of our area. 12 of these are circular walks...3 starting in Denby Dale, 3 in Skelmanthorpe, 3 in Emley, 2 in Clayton West and 1 in High Flatts. The 2 linear routes link Denby Dale station with Shepley and Penistone stations respectively.

As well as maps and directions, the leaflets provide information on public transport and local facilities - and an insight into our area's heritage. Up-dates on the trails can be found at
