

Jelly Elephants

Information

Fill your bowls with jelly before the elephant fills his belly! A fun learning game that encourages children to communicate, share and play together. You can also develop your child's colour recognition, and matching skills. 2-4 players.

Age: 3 years plus

Contents: 20 Jelly cards, 20 bowl cards, 4 jelly elephant cards, 6 push together image cards and 1 instruction leaflet.

Doodlebugs

Information

A simple, but exciting game of matching colour or quirky doodlebug characters. Encourages colour and object matching skills and develops social communication. 2-4 players.

Age: 3 years plus

Contents: 41 circular cards and 1 instruction leaflet.

4 Set Tuzzle Puzzle

Information

Durable, easy-clean puzzles with chunky pieces.

Using bright colours to stimulate the mind, Tuzzles help to build fine motor skills which include coordination, object manipulation and dexterity.

You can extend your child's play by talking about what you see in the pictures or ask where the people might be going to today?

Age: 3 years plus

Contents: 4 boards and 41 puzzle pieces.

Turn N Sort

Information

Choose a disc and either twist or screw the correct shape onto the post. Developing motor skills and problem solving.

For extended play, talk about the colours and numbers of discs or numbers of pegs on the posts. How about grouping all the green ones?

Age: 2 years plus

Contents: 12 discs and the base.

Red Dog, Blue Dog

Information

A first colour match lotto. Try to be the first to match all the coloured pictures on your playing board.

This game Links with Early Learning Goals, developing personal and social skills and encouraging observation. You can vary the rules to suit you and either turning it into a simple matching game (find the Red Dog), or a 'collect all the spiders/green cards' game.

Age: 2 years plus

Contents: 4 playing boards, 24 colour cards, 1 instruction leaflet.

Find the Rhyme Floor Puzzle

Information

A lovely jigsaw which encourages you to talk about what is happening in the picture. Find the bear on a chair or the moon with a spoon! Lots of questions: How many birds can you see? What is in the dish?

Develops hand eye co-ordination and observation skills, plus vocabulary and interaction and more.

Age: 3 years plus

Contents: 50 pieces

Animags - Farm Animals

Information

A selection of wooden magnetic pieces that stack on top of each other to build different animals.

Age: 18 months plus

Contents: There are 6 animals with 3 pieces each and 3 single blocks.

Domorino, Wooden Game

Information

This is a twist on the traditional game of dominoes where you can create your own set as you play which may cause you and your children to think more strategically.

Age: 4 years plus, 2-4 players, each game lasts 10-15 mins

Contents: 56 coloured chips, 28 domorino frames, 2 bags and instruction sheet.

Pisa, Wooden Game

Information

Pisa, this game can be played to 3 different difficulties, making it 2 –4 levels high. When you have built the tower you then take it in turns to roll the dice to select a colour to remove. Players need to keep the tower balanced, if it topples over the game finishes.

This game takes 10-20 mins to play

Age: 3 years plus

Contents: 34 pipes, 4 circular boards, one dice, bag and instruction sheet.

Fiesta, Wooden Game

Information

You have a party to host but all your ingredients for the skewers have got mixed up! To sort them out you will need to put all the ingredients into a large mixing bowl and using one hand get the ingredients onto the skewers.

There are 4 difficulties to this game, that range from getting just one colour on the skewer to getting a certain pattern of ingredients onto the skewer.

Age: 4 years plus, 2-4 players, each game last 15 mins.

Contents: 4 skewers, 10 red ingredient pieces, 10 green ingredient pieces, 10 yellow ingredient pieces, 10 blue ingredient pieces, bag and instruction sheet.

You will need a large mixing bowl to play this game

Rapelli, Wooden Game

Information

The caterpillars are hiding in the bamboo and you need to get them out! To do this you need to take turns to roll both the dice to decide which colour caterpillar you can move and by how many moves, but be careful because if you land on a backwards arrow you will have to move the caterpillar back into the bamboo! You need to move the caterpillars the whole way out to collect one, the winner is the player that gets the most caterpillars out of the bamboo.

Age: 4 years plus , 2-6 players, each game last 15-20 mins.

Contents: Green bamboo cylinder (comes in 2 halves), 18 caterpillars, 2 dice, bag and instruction sheet.
