

Aeroplane

Information

The light and sound aeroplane play set comes with crew, passengers and luggage, and an opening lid showing the inside of the plane.

This set allows children to use their imagination and also act out events from their own life.

You can extend their play to discuss going on holiday and places around the world. Team this set up with a map and some travel brochures for hours of fun while learning through play.

Age: 3 years plus

Contents: Plane with lid, 4 people, refreshment cart, 2 luggage items and 3 sets of wheels.

Farm Set

Information

My Little Farm, using this role play toy farm will allow your child to build on their current knowledge of real life situations and learn about different animals.

You could extend their play by a trip to a real farm to see the animals, find books and pictures on the subject or sing a few animal songs.

Age: 18 months plus

Contents: Farm, farmer, tractor, 3 fence sections, 2 hay bales, 5 animals.
