

IMPORTANT INFORMATION

BRADWELL FOOD BANK

Due to the profound impact of coronavirus many people are now without an income.

The generosity of Bradwell residents means the Bradwell Cares volunteer group is able to provide a food bank for anyone struggling in the short term. We can now offer a service for anyone who may be facing difficulties and have insufficient funds to buy essentials such as food or hygiene products.

If any person or family needs this support please contact the number listed below.

Any requests will be dealt with in the strictest confidence and within the guidelines for preventing the spreading of Covid 19.

Bradwell is a community, and in these uncertain times we do not want anyone to go without basic food or hygiene products. We will make sure all requests are dealt with on an individual basis and will also try to give you contact details for other help available for a longer term solution

Once again thank you to our residents for their generous donations and a big thank you to the CoOp for the collection box facility.
