Spring 2012

Over the last few months quite a number of things have happened. Firstly we would like to thank all those who contributed to the Parish Hall Community Survey at the beginning of the year. The information offered was very helpful and guided the Committee on deciding on the priorities for improvements to the Hall. As a result of this information an Improvement Business Plan has been developed and already improvements and development are taking place.

Many people will already know the Hall now has 80 new folding chairs and comments from Hall users have been positive. One of the key priorities for the community was the use of the kitchen. We are pleased to inform you that the work necessary to upgrade the status of the kitchen has been completed and thanks to a grant from North Devon Council, local fund raising and community voluntary help the improvements should be in place in readiness for Worlington's Queen's Diamond Jubilee Big Breakfast.

The main priority for the community was to improve the heating in the Hall and a project is under way to find a solution. This is a complex issue as the plan has to include improved heating, a reduction in dampness and condensation in the building and an increase in insulation. We are also looking forward to the Hall playing a role in key events in the coming months, including the Queen's Diamond Jubilee Celebrations and the annual Church Fete. Stay in touch by visiting our Parish Hall Website and Facebook Page.

Crocus and Cream Tea event

Many thanks to all who attended this event. Also a big thank you to Campie and Barnabas for opening their garden for us all to enjoy the spectacular display of colour. It was a great day and we managed to raise £450.00 for the hall funds.

Designer Curtain & Upholstery Fabric Sale – Another successful event so thanks to all those who came.
£524.00 was raised for the hall funds.

Upcoming events

The calendar overleaf lists the events to be held in the hall (or in aid of the hall) for April, May and June. We are looking forward to celebrating the Diamond Jubilee over the Bank Holiday weekend in June. Please look out for further details of what will be happening. We are also holding a Community lunch on Wednesday 16th May (12.15 for 12.30) with food prepared by Chulmleigh Community School. The cost will be £4.50 inclusive of two courses, tea and coffee and use of the Hall. To arrange the catering it will be necessary to book well in advance. For this first Community Lunch please let Steve Baber know before 30th April if you want to book a lunch and for how many. A menu will be provided nearer the date. Please come along for a delicious lunch. Jazz by the Riverside will also be taking place this year on Saturday 21st July with Richard Bennett and his New Orleans Band.
