March Club Night.

A full house with apologies from Steve Adcock , Louise Riggs, Ron James, Trish Bainborough, and Adrian Evans. It was good to see Bryn back with us again.

The highlight of the evening was a visit from the Devon Freewheelers a motorcycle charity whose aim is to provide a service to the NHS for the transportation of essential supplies and items to hospitals etc. This is an out of hours service and a charity.

We were given a comprehensive overview of the organisation by Gill Day supported by Maurice Ayling a past club member, and Daniel Hart the latest member of their team.

The club donated £50 from funds and a loose cash collection raised a further £56.09 for the charity. A note of thanks has been received from Maurice. It was thought by club members that we could make the organisation the subject of a charity for us to support.

Raffle

The raffle raised £28 thanks again to Frank and Nic (Nice to see Mrs Nic) for the organising of such an important source of funds. Further funds were raised by the sale of Triumph parts donated. It is a relief to know that John D has only got about nine bundles of mags left which is just as well because he is running out of string!

During the evening I found out that one of our members once flew in Lightnings, maybe we can get him to reveal himself (in the nicest possible way) and give us a chat re his experiences. The fastest thing I flew in whilst in the RAF and I expect Bill Jones also was a Shackleton.

Fire Engine & Vintage Vehicle Rally June 28th.

The last time it was held a few members attended, if I remember correctly at the invite of Bill Jones. It is quite an interesting day with plenty to see and occupy you. This could well be an occasion when we can show off a bit and take the banner etc. There is the usual ride around the arena if you wish to take part. The site is on the Exmouth road by the Nutwell Lodge. What about it then?

Exmouth gathering Aug 16th.

Imperial ground, 10 am to 4.30 pm. Just turn up and leave as you wish. No entry fee or need to book in advance.

Dear Adrian,

The organisers of the annual Classic Vehicle Gathering would like to invite members of Exeter Classic Motorcycle Club to attend their event which is due to take place on **Sunday 16th August 2015** from 10am until 4.30PM.

To be held on the Imperial Recreation Ground in Exmouth, this event is being organised by members from the Devon Branch of the Morris Minor Owners Club and is open to all makes, models and age of vehicles. This can include cars, motorcycles, scooters and light commercials. There is no need to book in advance or pay an entry fee and there are no formal arrival or departure times. Just turn up any time from 10am onwards and enjoy the friendly, relaxing atmosphere.

Last year the organisers attracted club displays from nine local clubs which helped to bring the number of exhibiting vehicles to nearly 300. The Devon Morris Minor Owners Club also raised in excess of £800 from voluntary donations for Devon Air Ambulance Trust.

For more details telephone Lorna Moggridge on (01823) 672693 or Nickie Tilley on (01395) 225614.

I hope this information is of interest and can be passed onto your members. If you need further information via email please do not hesitate to contact me at d.morgan75@btinternet.com

With kind regards,

David Morgan

The coming year.

Before long our busy year will be upon us, apart from shows such as the Devon County, Broadclyst fun day, Exmouth, and the Fire Engine rally we have;

Powderham

We will soon be looking for firm numbers just to see if booking will be worth while and also to see if we have a volunteer or volunteers to act as security for the nights of Friday and Saturday.

Dartmoor Run

We will require offers of help at the Quay for setting up and taking down. In addition route marshals will be needed, we never seem to have enough. Two at each point would be nice it can get lonely waiting for the bikes to arrive.

Bedford Square

Get your winter woollies out for this one.
