

Drumlanrig Tearfund Challenge 2016

VIRTUAL GOODY BAG

Instead of giving you a **cereal bar**, we have given 10 meals to children under threat of severe malnutrition.

Instead of giving you a **water bottle**, we are setting up irrigation systems in Chad, to prevent disastrous drought in the years ahead.

We provided you **with lunch, and snacks...** and emergency food supplies are now being sent to the most famine struck parts of the world.

Instead of giving you a **T-Shirt**, we are actively preventing children from being trafficked into forced slavery in factories around the world.
