TETTENHALL AND DISTRICT HORTICULTURAL SOCIETY

Tettenhall and District Horticultural Society was formed in 1915 and has two main objectives. Firstly, to promote the interests of allotment holders and gardeners. Secondly, to arrange for instruction in horticulture, also lectures, discussions, exhibitions and competitions. In addition to the Annual Show the society also holds a regular series of talks and runs a summer trip to a local garden. The society also runs the Nursery Walk Trading Hut where low cost gardening supplies are on sale to our members.

The society is now in its 96th year. That the society has endured for so long is due to the dedication of past and present members. We are looking forward to celebrating our 100th birthday in 2015. If you are not already a member perhaps you would consider joining us and helping us to continue into the future. If you would like to join us or would like to become more involved in our activities then please speak to one of the officers or committee at the Annual Show.

Tettenhall and District Horticultural Society would like to express its thanks to all members and helpers who have contributed to the smooth running of the society over the past year. In particular we would like to thank all those who work so hard to make sure the Annual Show is successful.
