

## WATER 2009

A grant was obtained for

Mudzini to provide water for the village.

This has made a wonderful difference in the lives of the villagers.

## ACCOMMODATION 2011

New buildings for staff and children.

## FISH FARM PROJECT 2010

Advice and finances have been given to breed Tilapia fish, which is

a good food source and

can be sold to the community.

## SCHOOL FOR VILLAGE?

We hope to purchase land for a school in the village of Kikambala.

The Trustees of Cariad Kenya, the staff and children of the Mudzini Kwetu Centre Trust are so very grateful to all the schools, churches, other groups and individuals who have supported this work in Kenya. Anthony Mulongo has said, *"It is your hearts and spirit of love that have made a difference to us. These are invaluable qualities that are rare to find in our contemporary world. Your resources do significantly matter and have certainly made a difference."*

WORKING IN PARTNERSHIP WITH MUDZINI KWETU CENTRE  
TO TRANSFORM THE LIVES OF VULNERABLE CHILDREN

10th ANNIVERSARY

# SPRING GREETINGS 2011

Welfare Education Justice

# CARIAD KENYA

# *Celebrating Ten Years in Partnership with Kenya*

## **EASTER 2001**

We met Anthony in 2001 when we went to visit our son, Andrew, who was working in Mombasa at that time.

## **SUMMER 2004**

The only building on the two and a half acre site in the village of Kikambala.

Then our first building to house a worker and equipment.

## **SUMMER 2005**

Accommodation now for thirty children in a property with water and electricity.

Cariad Kenya purchased a bus as the children's school transport.

## **SUMMER 2001**

A shed in Nairobi as the first 'home' for a few girls. Then they moved to Mombasa and the girls were sent to school. Here are Gift, Sopra, Halima Big and Halima Small.

## **SUMMER 2004**

A bigger property in Mtwapa to house more girls.

## **BEDWAS AND BAHARI SCHOOLS 2006/2009**

Cariad Kenya worked with Bed-

was High School to link up with the Bahari

Parents Academy, the school the children attend. A grant from the Department For International Development enabled staff from the schools and children from our home to experience each other's cultures.

## **AUTUMN 2005**

In November 2005, we applied for charitable status and obtained it in March 2006. As a charity, we could now claim Gift Aid assistance and this has been a tremendous benefit when raising finances.

## **INSPECTION 2007**

As Mudzini Kwetu is a registered home, it has to be inspected and the Government Inspectors stated that Mudzini was 'the best home in the District'. In 2010, there was the same conclusion.

## **HOLIDAY CLUB 2007/2010**

Cariad Kenya has been privileged to be asked to take a Bi-ble Club in the girl's summer holidays.

The girls have learned new

songs, shared in acting out stories and created craft work. They are

very receptive and want to learn more.
