

Hello All,

This is just a letter to inform parents and shooting club members of a change that we will be enforcing as from our next meeting on Tuesday 7th February, This is that we will be asking all members to wear uniform for ALL club meetings. We have to enforce this as it needs to be a recognised '**Scout**' air rifle shooting club. But there will be a choice of being able to wear one of our club polo shirts, if your child does not want to wear their uniform. The polo shirts will come in red or green (they have a choice of having either colour or both (if they so wish)) and in all of the sizes listed below.

All orders have to be made through us and unfortunately we are not in a position to be able to hold stock so the stock would be ordered once we have received your order form through to us.

Yours In Scouting

Neil Archer

District Scout Leader (Shooting Advisor)

If you wish to purchase polo shirts please fill in the attached form and return it to Peter Giffin (Shooting Admin)

Club Polo Shirts:
