

CORONAVIRUS - 100 PLUS CLUB

As a result of the need to avoid unnecessary contact and in line with the Government's requirements we will be continuing with the Weekly 100 Plus Club as follows:-

WEEKLY DRAW

For the first time since the 100 Club started the draw will not take place in the White Horse. Instead organiser Malcolm Smith will make the draw at home. As soon as we are able we will revert to the White Horse.

PAYMENTS

No door to door cash collections will be made.

Cash or cheques payable to CPRGT can be put in an envelope and put through Malcolm Smith's letterbox - 43 Felborough Close - (please clearly mark 100 Plus Club, your name and the week's dates to which the payment applies).

Ad hoc payments direct into our bank account (CPRGT - Santander Sort code 09-01-53 Account 35382282) can be made but again please advise full details to Malcolm.

Payments for several weeks in advance can be made. In fact we encourage this anyway to help relieve Malcolm's workload.

Ideally payments can be set up by Standing Order on a quarterly basis. The Standing Order Form can be found on the 100 Plus Club page of our website.

WINNERS

Successful winners will continue to be advertised in the same places and on our website (monthly).

Winning prizes will be paid by cash through letter boxes or by cheque in the post for more distant contributors.

Please contact Malcolm with any queries or information by telephone on 01227 731179 or 07721 636045 or by email - m.smith614@btinternet.com. We ask that you kindly do not knock on his door so that unnecessary contact is avoided.

THANK YOU all for your continued support for an important fund raiser for us, especially in these difficult times when our hiring income has ceased.
