MATCH DATES & REFEREES

Clubs making changes to these dates must notify the League Secretary. A re-arrangement fee of £5 is normally levied on teams responsible for a re-arrangement (£10 if less than 3 days notice) unless it is due to bath closure or similar circumstances.

The home team should confirm the starting time and venue of a match with referees and the visiting team at least one week beforehand.

Any referee who cannot officiate at a game to which they have been allocated should notify the Referees Co-ordinator as far in advance as possible.

Before each game the home team must make visiting team and official aware of the safety arrangements for the pool. Please see the ASA Handbook or visit the web site British Swimming.
