About the Auction

Why, this Auction?

This is one of a number of excellent fund-raising events dreamt up by the Wardens, P.C.C. and other members of St.Hilda's as a major feature of the drive to secure sufficient funds to help cover the cost of the new extension at the North West side of the church.

The new extension is essential to the continuing life of our church in providing a kitchen and space for numerous social and community activities, not least the accommodation for the revival of a Sunday School. The old Church Room has served us well over many years but has long reached its sell-by date and is no longer fit for purpose.

We trust you will find this evening enjoyable and hope, with your help, it will achieve our aim of raising much needed funds. A special thank-you to all those who have most generously pledged gifts and promises – **without you we don't have an auction!!**

Thanks also to the Village Hall for so generously allowing us to use the hall at no cost as an act of charity..... and, of course, to our popular auctioneer John (the Hammer) Blackley, a master in the dark art of tempting the wise and generous to secure a bargain.
