What does it mean to be a Pilgrim? If you remember your Pilgrim’s Progress you will recall that Christian’s journey to know God was not a case of a simple decision and that was it. Rather it involved a lifetime of facing challenges from the world, deepening his faith and journeying towards his destination in the Celestial City.

We aim to make spiritual growth and development a priority in the Fellside Team in the coming years. In part that is working with existing congregations. In part it will be seeking to draw in those who are on the fringes of our churches.

For our existing congregations we will be using a course called Pilgrim to help us think and reflect about:

- What Christians believe;
- How Christians know and worship God;
- What a Christian life might look like;
- What a Christian vision for the world might be.
