A note from the editor

Welcome to the second edition of Maroon Pages!

When we embarked on this year's Maroon Pages, we thought that we could not beat the outstanding response that we received from both the advertisers and the school users to our first ever edition. But yet again the Maroon Pages has proved a phenomenal success and I am proud to say that **we have raised EVEN MORE than last year for the school.**

What is significant this year is that many of our advertisers have included 'Special Offers' or money back to the school if you use their services. This means that the school can continue to receive money for the rest of the year. **It is therefore in your interest to ALWAYS tell the business that you saw them advertised in the Maroon Pages so they know what a successful publication and loyal school community we have.**

Special thanks this year must go to my hard working friends Lil Duggan and Angela Goodwin, who helped massively in producing the directory, and also the rest of the Friends of St. Dunstan's (FoSD) team, who work hard throughout the year to benefit all our children. Have a look at the FoSD page in the Maroon Pages, perhaps you might be inspired to play a part!

A final thank you goes to all our advertisers contained within Maroon Pages, particularly Libra Sales & Lettings and KWW Solicitors, who are our sponsors for 2014 and the Summer Fair.

Please enjoy flicking through your school directory. Keep a copy handy and tell all your friends too. A copy will be available to view online on the school website in due course.

Use the Maroon Pages and support the community that supports our school.

Best Wishes

Anna Sole
