We have now extended the age-range from 8 to 13. Applications received for additional places are now being assessed. To express an interest in your child joining the waiting list for the club, please complete the form on our website at [www.shantsnas.org.uk/home/lego](http://www.shantsnas.org.uk/home/lego).

## Support Group Meeting

Our next support group meeting is on **Monday 16 November** at Bishopstoke Evangelical Church at 7.30pm.

We welcome **Kathryn Cornish**, Community Access Project Officer from Autism Hampshire as our guest. Kathryn would like to speak to individual parents as part of a Healthwatch consultation. Autism Hampshire are being supported by Healthwatch Hampshire, to consult with Hampshire adults and young people with autism, their families and carers (including parents of younger children) to find out and record their experiences of using local health services such as GP surgeries, dentists and accident and emergency units. They want to find out which strategies work well in supporting access and what barriers they find to using these services. They have had many verbal reports that accessing these services can be challenging and this consultation will provide them with further evidence to share. Healthwatch Hampshire attend all clinical commissioning groups and will ensure that the findings of this consultation are seen and heard by the local medical professionals.

There will be plenty of time at our meeting to have a chat and to browse our Resource Library, comprising over 300 books, videos and DVDs on many aspects of autism and Asperger syndrome.

**If you have any books due back or overdue, please don't forget to bring them along.**

## Short Breaks for Disabled Children Funding 2016/17

We are delighted to tell you that a full council meeting at Hampshire County Council has approved an increase in the Children's Services Budget to protect Short Breaks Funding for 2016/17. Many of you will know there was a very real possibility of a cut of £1.8 million to the short breaks budget from next April.

Hampshire Parent Carer Network and Parent Voice have worked hard this year with the Hampshire County Council short breaks team and providers, Kids, Andover and District Mencap, Challengers and The Rose Road Association, to assess the impact of the cuts and the reality of what could be delivered with the drastically reduced funding anticipated.

Hampshire Parent Carer Network is looking forward to continuing to work with Hampshire County Council to shape the Short Breaks Programme to deliver the best possible service to families in 2016/17 and beyond.

## Calling all coffee drinkers!

Do you, your friends or colleagues use Tassimo coffee machines? If so, you can help us raise funds.

Tassimo wants to save TDISCs and outer flow wrap packaging from going to landfill. For the total weight of the TDISCs and outer foil packaging we collect, we get TerraCycle points which are converted into cash for us. To date we have raised over £400.

Please bring along your TDISCs and outer flow wrap packaging (they do not have to be cleaned) to any of our meetings/activities. Even better, get all your friends involved too.

Also, if you have a link with a local supermarket or place where a collection bin could be situated, please let us know.
