Cornwood Agricultural & Horticultural Society

Registered Charity No. 287054

Show Ground Rules

1. The Cornwood Agricultural & Horticultural Society will accept no liability for any loss incurred consequent upon the cancellation of the show for whatever reason.
2. The committee of the Cornwood Agricultural and Horticultural Show has taken all reasonable precautions to ensure the safety of all persons attending the show. However, it is expected that all persons attending the show take all reasonable steps to ensure their own safety and obey all lawful instructions given by the show officials and stewards.
3. It shall be noted that the committee will not be held responsible for any accident that may occur to any exhibitor, competitor or spectator; and it shall be a condition of entry that each exhibitor, competitor or spectator holds the committee blameless and indemnify it against any legal proceedings ensuing from such an accident.
4. All exhibits are entered at the owner's risk. The committee will not in any circumstances be held responsible for loss or damage to vehicles, animals, persons or possessions. Veterinary expenses are the responsibility of the animal's owner.
5. The decision of a judge is final.
6. Verbal or physical abuse towards any person or animal will not be tolerated and could lead to expulsion from the show and a life ban.
7. Dogs must be kept on a lead at all times and dog owners / handlers must clear-up after any fouling.
8. The committee reserves the right to modify or cancel a class and refuse entry.
9. Vehicles must be parked as directed and moved immediately if directed to do so. Vehicles including contents are left at owners' own risk
10. Children are the responsibility of parents/guardians and must be supervised by them at all times.
11. Exhibitors, traders and competitors must comply with the appropriate Health and Safety legislation as well as the conditions of entry to the show for their section.

Warning to the General Public

- Only Exhibitors should touch the animals, wash your hands (or use hand cleaning gel) before eating or drinking if you have been near animals or poultry.
- Beware of animals moving around the Show Ground.
- Do not tamper with machinery, implements or tools.
- Please control your children and livestock.
- Beware of tent pegs and guy ropes adjacent to tents.

Vehicles are not to exceed 5mph speed limit on the Show Ground.

Welcome to the 2019 Cornwood Show

Welcome to the 2019 Cornwood Show on Saturday 10th August, with the Cornwood Horse Show on Sunday 25th August. Both shows will be held at Cadleigh Farm with thanks to Mr and Mrs John Cane and Mr Derek Dennis for allowing us to use their fields.

Since 1897 the Cornwood Show has been an annual event in this quiet corner of Devon. Villagers gathered to watch horses racing across fields and local farmers competed to win the prestigious 'Best Donkey' class. The show has changed its classes somewhat over the years but remains ever popular in the local area.

This year we are trying to encourage a whole new generation of entrants to have a go in the Horticulture Tent. There's a class for everyone and all are welcome to get involved. Just remember to bring your entries the day before the show for judging - that way your exhibit can be admired all day long.

Thank you to the amazing committee and set-up crew who work so hard to make the show happen year after year.

Good luck everyone!

***** IMPORTANT - READ DEFRA REGULATIONS ON NEXT PAGE BEFORE ENTERING *****

IMPORTANT NOTICE FOR ALL POULTRY OWNERS CONCERNING AVIAN FLU

DEFRA have issued instructions on record keeping and biosecurity that must be observed. We are permitted to hold both Poultry and Pet Shows and to allow birds to be sold on the day by doing the following:

- A nominated person will be designated as the event organiser and a person made responsible for keeping the records set out below.
- **A record of all attendees (exhibitors) will be kept for three months which includes the following information**
 - **full name**
 - **home address**
 - **telephone number**
 - **number and types of birds**
- A named veterinary surgeon will be contactable for advice and to attend in the event of any suspect disease.
- Biosecurity advice will be distributed at the event.
- If sales of birds are taking place at the event, a record of all sales will be kept by the event organiser for at least three months. This will include the name, address and telephone number of both the seller and the buyer, and any identifying features or individual identification of the purchased bird(s).
- The local State Veterinary Service Animal Health Office nearest to the event will be notified at least 14 days prior to the event taking place. Notification will include date, location, details of the event organiser and anticipated numbers and types of birds.

DEFRA Biosecurity Best Practice Conditions to Be Applied

- Written action plans, held by the nominated responsible person, will be available in the event of a disease incident at the event or nearby the event.
- All litter and manure within the cages, crates and baskets must be contained until disposal. Any spillages outside the cage to be cleansed and disinfected immediately.
- All litter and manure must be disposed of in a manner which does not present a risk of spread of the disease, e.g. in sealed bags for normal refuse collection in such a manner that other birds do not have direct access to it.
- All exhibitors/entrants will be instructed to cleanse and disinfect the show cages, crates and baskets before the event and be advised that they should be cleansed and disinfected on return to the home premises and before they are used to hold any other bird.

SALES

Buyers must isolate the purchased bird(s) from any other birds (except those purchased at the same event) for at least one week. Any signs of ill health observed in the purchased bird(s) during this period must be reported to a veterinary surgeon and such birds must not be mixed with any other birds until the presence of a notifiable disease has been ruled out.

AND FINALLY

If the Stewards consider any bird to be in distress at the Show, then they will isolate the bird without reference to the owner and call the Vet.

All details correct at the time of printing, please see website for most up to date regulations.

Big changes in the Horticultural Show this year

Please Read This Page

Judging for all Horticultural Classes (including Cookery; Art; Photography and Handicraft) will take place on Friday 9th August (the day before the show).

We are making this change so that visitors can see all the wonderful exhibits from the time the show opens rather than waiting until judging has completed.

This means that all class entries need to be taken to the Horticulture Tent on Friday 9th August between 12 noon and 6pm.

They can be collected after 4pm on Saturday 10th August.

We know that people love to have a chat with other like-minded people when they are dropping-off their exhibits so this year we are providing free tea and coffee so that you can catch-up over a cuppa!

There are other changes too; the number of classes has been reduced and the RULES have been simplified; for example judging is no longer done on the RHS points system; please read them because they are not the same as last year. The Photography exhibits will be displayed in the Bar tent (instead of in the Horticulture Tent) so that people can admire the beautiful pictures with a drink in their hand.

We have also introduced new classes which we hope will attract more people to enter – so if you are a Sloe Gin maker or beer brewer now's your chance! There are exciting new classes for the under 16s too including Best Selfie and Best Animal Video – it would be great to get more teenagers involved.

And last but not least; some lovely children's classes such as Best Lego Model and A Boat from Woodland Finds

See the next page for all the classes on offer. If you have never entered before; this could be the year to take the plunge! It is not as scary as it may seem.....
