Balloch Village Trust

Local History ‘A Living History of Balloch’ was launched and published in November 2009. For the moment, all copies of the book are sold or given to contributors. We are likely to do a small additional print run and copies will be available from Waterstones in Eastgate. Much of the information will soon be available for view on ballochvillage.com along with the original interviews and photo archive that went into this local history project. Many thanks to those that contributed to this project and who have been so interested in its progress and continuation.

We are well aware that many gaps remain in this first attempt to pull together something of Balloch’s local history. There are undoubtedly many more gems of memories and photos tucked away out there. If you feel able to make a small written contribution or have photos that we could scan and return, we would still like to hear from you. Please contact via e mail on b.v.t@btinternet.com or in writing to Mrs Liz Green at 26 Cherry Park, Balloch, IV2 7HG. Our aim is put new material on the website and if sufficient new material turns up consider printing a second version.

	Margaret MacMillan	Tel. 791090
	George Riddell	Tel.791990
	Ian Williams	Tel. 790282
	Elspeth Fraser	Tel. 790710

Meetings are held in the Balloch Village Hall on the third Monday of most months throughout the year. They start at 7.30 and usually finish within an hour and a half.

ALL ARE WELCOME!

If you would like more information about meetings, please contact the Alex or Kate.

If you have concerns about the village or would like to bring a matter to the attention of the Community Council, please do not hesitate to contact us.

Notice Board

The Community Council notice board used to be on the wall of the old shop. After the building was demolished the notice board was moved to the green triangle on the other side of the road. Usually it is full of local information as well as minutes from Community Council meetings.

To make the notices more 'noticeable' it is hoped to install a new notice board on the wall of the new shop.

Tree and Hedge Planting Plans

It is planned to plant trees and hedge-type plants along Barn Church Road. Advice from Highland Council's Tree Officer is being taken as to what species to plant.

Funding has been received from Highland Council Ward Discretionary Budget to plant the trees.

Last year Cllr Glynis Sinclair kindly donated trees which were planted near the Cherry Park junction on Barn Church Road.

Please contact Ian (790282) or Kate (798526) if you would like to know more, to give your views or to help out.

There is no local history club as such (with regular meetings and sharing of information) but if anyone is interested in running one in Balloch, the book and the materials that we have would provide a strong foundation to set one up.

Balloch Woodland Path Map BVT is producing a map of the paths in the woodlands to the east of the village, entering at the bus turning circle. We plan to get this printed. Numbered posts at path junctions will relate to numbers on the map. Once maps are available, there will be a notice on the noticeboard saying where to obtain them.

General BVT continues to work on existing projects. We welcome new members to take forward new ideas. For more information or for anyone interested joining the committee, please contact b.v.t@btinternet.com.

The BVT AGM will be held at Balloch Village Hall on:
Wednesday 26th May at 7pm

Anyone interested in joining the committee please contact
 BVT by the 12th May.

Chair. Melanie Smith.

BALLOCH VILLAGE HALL

The following is a list of names and contact details of the organisations that use the Village Hall

For more details, contact Karen Hallkett

Meet term time Wednesday 5.15-6.45pm

Culloden & Ardersier Ward

The Ward Manager is employed by Highland Council to support the elected Members to scrutinise the delivery of Council services and to ensure the Council's Programme for Administration is delivered.

The role includes dealing with issues that arise across the Culloden & Ardersier Ward to ensure they are dealt with effectively. A key feature is supporting the Community Council to represent the views of their community to the Council.

The Culloden & Ardersier Ward receives a Ward Discretionary Budget each year of £59,659 that is managed by the Ward Manager on behalf of the Councillors.

So far the following grants have been disbursed:

- £1,950 towards half the costs of new lights on the pedestrian crossing
- £200 for the Balloch over 60's club
- £500 for Balloch Primary School for Christmas activities

This is entirely discretionary with funds being available to groups who apply. Application forms are available from the Ward Manager's office.

Charles Stephen

Ward Manager Culloden & Ardersier/Inverness South
Chief Executive's Service
Town House, Inverness IV1 1JJ

Councillors' Comments

There is great interest locally in the A96 Corridor Masterplan developments and of course the outcome of the Strategic Transport Review, and the announcement that the upgrade of the A96 from Inverness eastwards including a bypass of Nairn be a priority project.

Discussions which have generated a great deal of comment are the improvements to the transport infrastructure, and the proposed expansion of the Inverness Airport and a business park at Dalcross. The relocation of the Inverness College UHI, to the Beechwood area, with additional housing and a district shopping centre proposed for Culloden. All of those developments which are looking to the long term requirements of an expanding city including a trunk link routing from A96/A9/A82.

As councillors we continue to press for improvements to all other local routes as everyone is aware the get busier every day. It is always at the forefront of our ward business meetings, local road infrastructure, grass verges to be kept clear, dog fouling to be addressed ensuring that the quality of life in the locality is of the highest quality possible.

It has been a pleasure to assist many local organisations and our Primary Schools with funding through our discretionary budget over recent years. We would hope to assist where we can over the next period which is looking to be quite challenging for everyone.

Regards

Cllr. Bob Wynd

Meet Saturday afternoons

Everybody had great fun throughout the week and we hope that it will be possible to have another Expressive Arts Week for the pupils next year.

Vicky MacRae P7 pupil at Balloch Primary School.

Lights at Zebra Crossing

Concern was raised about the Zebra Crossing earlier in 2009. To improve safety Highland Council, with support from our local Members' Ward Discretionary Budget, have installed new lights above the crossing.

POP-IN**At the Free Church, Murray Road, Smithton**

The Pop-in is open from 10am to 4pm every Wednesday from September to the end of June. Everybody over 50 years or thereby is most welcome to come along and meet and make friends and have a very pleasant time.

Tea, coffee, light refreshments and soup is served. There are activities including quizzes, singing, story telling and some very light exercises which you can take part in if you so wish. Most important thing is to come along and have an enjoyable time

The Balloch bus for the City Centre stops outside the Church. If you are unable to access transport and require a lift please call the Church office on 01463-793191 and we will arrange for you to be picked up and taken home again. We look forward to meeting you.

SCHOOL NEWS

Balloch Primary School Expressive Arts Week

From Monday 22nd to Friday 26th February, Balloch Primary School had an Expressive Arts Week. Each day we did a different activity- starting with Kodaly with Mrs. Rae on Monday. In Kodaly we did various different singing games and warm ups. We all enjoyed the tongue twister about toboggans, even though it was quite confusing! I think that everyone had a great time and really enjoyed this activity.

On Tuesday we had Jammin Fitness with Laura. This is where we learned a variety of different “moves” and put them together in a dance...to “Diversity” type music. Everybody had fun and it would be really nice if we could have her more often!

The activity on Wednesday was storytelling with Lilian Ross. She told us a tale called “The seed of Truth” which was set in the Highland Clearances. It was a nice change to sit and listen to a professional story teller, and it would be great if we could start every day like that!

Sadly, we didn’t get the drama on Thursday as the lady got stuck in the snow, so on Friday we had drum fun, which was most people’s favourite activity.

The instructor, called Steve, was very enthusiastic, which made it all the more fun and exciting. We all had different types and sizes of drums, which we quickly mastered, and we all liked doing the rhythms and enjoyed getting to be loud!

Meet first Sunday morning of Month

Over 60's Club

Balloch Over 60's Club meet fortnightly in the Balloch Community Hall from the second week in September until the may following. Meetings are on Wednesday afternoon from 2.30-4.30pm.

During the course of the eight months a range of entertainment is provided by way of guest speakers, accordion and fiddle players or a school choir.

After the entertainment, we hold a raffle with each member contributing a small prize. This raffle helps with club funds which provide additional fun entertainment. Tea and biscuits follow.

In October we have a half day coach outing and in may a full day coach outing. The week before Christmas we have a Christmas lunch at a local hotel and on the nearest Wednesday to Burns' anniversary, we hold a Burns' Lunch.

At present we have a membership of 33 and we would welcome as many more members as we can get. Membership is not confined to Balloch as we have members from Culloden and Smithton.

The club is run by a committee of at least seven members elected by the membership at the A.G.M. which is the last meeting in May before the summer break.

For further information contact **George Mudd** on **01463 790547**.
