Minutes of the last meeting

Minutes of the last meeting held on 14th July '09 were taken as read, confirmed and signed as a true record.

Matters Arising:

1. Lease agreement

Final signatures are to be collected in order for the association to now be legally registered.

2. Allotment Rules

The rules were discussed and will be copied for all members/plot holders to read and agree upon. Any amendments can then be forwarded to the committee and discussed and finalised at the AGM.

3. Metal gate

A new wider main gate with side pedestrian access is now being made and should be installed in the coming month.

4. Empty plots

The plot holders that the association are mainly concerned about have been contacted. Some of the plots are to be relinquished from October whilst others are still to be worked. This situation will continue to be monitored to hopefully see progress in their upkeep.

5. AGM

A date has been arranged for the association to hold its Annual General Meeting.

Sunday 27th Sept. at 11:30am. Preston Hall Museum, The Ballroom.

This will include discussing and agreeing the new rules for the allotments and also hearing reports from the current committee members.

It is also an opportunity for new committee members to be appointed.

All allotment members are welcome to attend.

Details regarding nominations for new committee members will be posted on the notice board during September, giving allotment members the chance to become more involved.

6. Steel Containers

Richard Carr ,Mike Simpson and Unal Metti are to investigate the availability of steel containers. These would be used for storage and also somewhere for allotment members to meet.

Meeting closed 8:45pm.

Next meeting - Tues. 1st September 2009.

The Pot and Glass, Egglecliffe, 6:30pm
