Minutes of the last meeting

Minutes of the last meeting held on 11th Nov. '08 were taken as read, confirmed and signed as a true record.

Matters Arising:

1. Update on lease agreement

- i) Alison Goncalves (Merritt + Co. Solicitors) has contacted Janet Ford (SBC solicitor) asking for them to be more specific about certain items to be detailed in the lease.
We are awaiting their response and are in regular contact with our solicitor.
- ii) Public liability insurance - Insurance still to be arranged as soon as date for lease agreement decided.
Forms now ready to be sent when lease to be signed.

2. Container

Allotment neighbours have given consent to us regarding permission to site a container, when we eventually get one.

3. Metal Post

Unal Metti temporarily has key for the post.
Paul Joiner, from Preston Parish Council, also has a key.

4. Skip

Preston Parish Council did offer to pay for an extra skip for our winter rubbish on the site. They have failed to do this and are going to be contacted yet again.

5. Engineer

Engineer has been found and is to be contacted regarding surveying the whole allotment site. To be asked for advice about the drainage issue.

Any other business

- i) Pricing of new metal gate and posts to be checked.
- ii) Mike Bowron, Park Development Officer, to be contacted for any updates about the park in general.
- iii) Butterwick Nurseries to be contacted regarding price of hawthorn whips-to be used for allotment boundary fence.

Meeting closed - 7:45pm

Next meeting - Tues. 10th February 2009. The Sportsman, Eaglescliffe.
