Minutes of the last meeting

Minutes of the last meeting held on 10th Feb. '09 were taken as read, confirmed and signed as a true record.

Matters Arising:

1. Update on lease agreement

Full agreement from Quarry Road Allotment committee is to be given to our solicitor, in the coming week, to go ahead with getting final leases agreement approval from SBC.

2. Hawthorn whips

More volunteers still needed to plant hawthorn inside boundary fencing. Do come along and fill in any gaps! Contact a committee member for details or just turn up on Sunday mornings from 10:30 am.

Many thanks to all who have helped so far.

3. Main gate

Brambles to be cleared from near main gate entrance to help improve access.

4. Grant application

An application has been made for funding towards a new main gate and hedging materials, to improve our allotment boundary. Hopefully in the coming few weeks we should hear if it has been successful.

Meeting closed 7:25pm.

Next meeting - Tues. 14th April 2009. The Sportsman, Eaglescliffe.
