5. **A.O.B.** - Many thanks to all who helped Mary Fraser, plot 16, keep her plot in order while she was unable to work it.

Trustee insurance- Unal supplied some information about this and Alan Oliver is to make further enquiries. It is felt by the trustees of the site that they would like to be insured as the site is a huge responsibility that they take on voluntarily.

Tim Place has made enquiries to SBC regarding Community Asset Transfer information. Helen and Jill are to make similar enquiries to the National Association of Allotment and Leisure Gardens. Once more information is found then it will be discussed at future meetings.

**Meeting closed 8:30pm**

**Next committee meeting date to be announced after the AGM**

**All are welcome to attend**
