## **WORKSHOP DETAILS**

### **LATIN & ZUMBA INSPIRED Workshop & Choreography**

**with Maria Hennings Hunt ZIN**

Ask anyone who has been to a Zumba class what they most liked about it and you'll probably get lots of different answers – but one thing all Zumba classes have in common is the music...it's Latin, uplifting, hip-wiggling music that's just great fun to dance to. In this Latin & Zumba inspired workshop we'll be using a variety of different Latin rhythms: Merengue, Cha Cha, Rumba, Salsa etc, and as well as lots of actual dancing, we'll also be looking at the different choreography of each dance as well as making up some routines of our own!

### **WEST END SHOW DANCE**

**with Maria Hennings Hunt IDTA**

If you have ever fancied strutting your stuff to some of the West Ends best show tunes....think Hat, Canes and Sparkly Waistcoats....then this Saturday afternoon workshop is guaranteed to be just up your street! No previous dance experience is needed to join in, just a willingness to smile and have some fun! So come on down and learn a couple of WEST END SHOW type routines, that are surprisingly easy - but look so effective! (Hats & Canes provided!)

**You don't need a partner or any previous dance experience for either of the dance sessions - just bring a smile & your feet! (Two left ones will do!)**

**MARIA HENNINGS HUNT is a fully qualified IDTA dance teacher and Zumba Instructor. She runs her own London based dance school teaching a variety of dance styles to all ages from 4-94! She also teaches regularly at Len Goodman's Dance Centre in Dartford.**

*Drinks will be served at Registration and during the Morning, Lunchtime and Afternoon breaks.*

*Please bring a bottle of water with you!*
