Breakfast Run – Sunday 18th November

A reminder that it is the breakfast run on Sunday 18 November. Meet at Weatherspoons in Chard at 8.30am to run along the old railway line towards Ilminster. It is an out and back route so you can as far or not so far as you like.

It is a cycle path so the family can come along and walk/cycle too. The idea is that we will then retire to Weatherspoons for a slap up breakfast. Hope to see you there.

Ilminster 10k Report by Sarah Warren

There was a great turn out of Crewkerne runners at the Ilminster 10K last Sunday – 21 in total and probably the best represented club at the event.

A number of us gathered at race HQ for the usual pre-race banter with Clive at the helm as usual. This time he had forgotten his race vest (possibly his head was still hurting after his collision with the sign post last week?) and was asking if anyone had a spare top he could borrow. I had a bright pink t-shirt to offer, but strangely Clive was not interested in that but I am sure it would have suited him!

After the obligatory pre-race group photos in the town square, we set off on the uphill start leading out of the town. After some very heavy rain in the night the sun was shining, but the roads were still very wet in places which meant wet feet for everyone by the end. All the uphill sections are in the first half of the race and then it is pretty much downhill all the way back.

There were some good results in the club with Mike Pearce coming in third overall, Elaine Priest was third lady and trophy gatherer Clive Harwood was first in his age category. Results are below – some of the timings in the official results look a bit odd, so if yours is wrong I apologise. My own time was way out on the results list so I have corrected it. To add insult to injury I was also shown as running for Chard rather than CRC, and apparently I was announced as second lady in the over 50's category! I may be getting on a bit but I am not over 50 yet.

A message from your Chairman...

On Monday the 29th October I attended a meeting of the directors of the George Reynolds Centre representing the Running Club. During discussion on the staffing of the centre we were asked if we would make enquiries as to any member/members of the Running Club that would be interested in training to become temporary bar staff when the Running Club is using the facility. A days training would take place organised by the St Austell brewery staff and a bar qualification would be awarded to successful candidates. The training would be free.

Should any member/members be interested in taking up this offer would you please let me know urgently replying to Martin or myself?

Malcolm.

Full Monty

The Full Monty is fast approaching and we will be requiring lots of help from our members to help stage this event. This is our biggest event we do so we require the most assistance from you guys.

The main bulk of the work is required by course marshalls. Some of you maybe contacted by either myself, Clive or Jim to help out on our patches, but if anyone who is free could drop one of us an email to let us know of your availability that would be fantastic!
