Well done to all the organisers and sponsors concerned, what a fantastic and successful event it was. Wonderful community spirit and very enjoyable day. Although a challenging race it was well worth it for the fantastic views on route. Also what a well-deserving charity to be part of. Well done again to Shaun, Graham, Marshalls and everyone involved. Will definitely be back next year.

This was a fabulous day. What a challenging race over varied terrain. Not for the faint-hearted but certainly an achievement for all the runners. It was well organised and the overall volunteers on the day made it special. I think the BBQ and massage tent (plus various other activities) made it more than just your regular running event. Well done to all.

What a fantastic Village community event. All organisers very helpful and so happy. So nice to see a great spirit within the community, very rare these days. Even though it was a challenging run was still enjoyable, fantastic views throughout. Good to know monies going to charity, Well Done Shaun, Graham, Marshalls, Choir and all involved, Looking forward to next year. Sandra Pinkham

Bwystfil y Bryn was an absolute pleasure and I think I speak for all when I say you could sense the buzz of excitement that permeated the local running fraternity in the lead-up to the race. Its passing has left something of a vacuum and we can only look forward to next year's race (please)! Thanks Shaun and Graham for organising a gem of an event.

Well done to all concerned and especially the sponsors for their support for making Bwystfil y Bryn such a great day, despite the earlier weather problems. Hope the charity Cystic Fibrosis benefited from the race, but I will have to start training much earlier next year. Who was that fantastic choir at the start of the race who lifted everyone's spirits? Once again well done and look forward to next year.

Well done Shaun, everything about the race was spot on. A breath of fresh air compared to today's boring, monotonous, 5ks.

What a run! Seen some beautiful places I never knew existed, fabulous route (the hill to the football field nearly killed me). The lovely encouragement from all the marshalls got me to the end. Thanks to all involved.
