

The 8D Association Membership Form.

The aim of the 8D Association is to promote the study and research of the railways of South Lancashire and North Cheshire in particular lines that lay within a ten mile radius of the Widnes Motive Power Depot (8D Shed). To develop an archive of documents and photographs related to the lines. To undertake educational activities such as walks and talks. To publish booklets, maintain a website and encourage the installation of memorial and interpretative plaques. The Association also produces a quarterly journal 'On Shed'.
