Signed Swimmer: **Date**.....

Signed Parent (if aged under 16): **Date**.....

To qualify for a new record a time must be set by a currently registered Redditch SC swimmer in a licensed competition (not Club Championships) or in any of our three main leagues - the National Arena Swimming League, the Worcester Winter League, or the Nuneaton and District Junior League.

There are four age groups: 8-10 years, 11-12 years, 13-15 years and 16/over.

There is also an open record for every event.

Short course or long course times are valid, but long course times will be converted to short course equivalents.
