

OPEN MEETS - SEPTEMBER TO DECEMBER 2014

As well as the Worcester County Development Meet, at Wolverhampton on 21st September, we will be targeting three open meets later this year, all in November -

1-2 Nov - City of Bristol Autumn Meet
Hengrove Leisure Park, Bristol
Level 3 - long course (50m pool)

22-23 Nov - Northgate PB Buster
Wolverhampton Central Baths
Level 3 - short course (25m pool)

29-30 Nov - Nuneaton & Bedworth '100, 200 & 400' Open
Pingles Leisure Centre, Nuneaton
Level 2 - short course

ENTRIES FOR BOTH THE COUNTY DEVELOPMENT MEET AND THE NORTHGATE PB BUSTER SHOULD BE COMPLETED AND GIVEN TO CHRIS OR SONIA AS SOON AS POSSIBLE, AND BY 10TH AUGUST AT THE LATEST.

We will also, of course, have our annual club championships over this period (dates still to be confirmed) - so there will be plenty of early competition, and chances to get County and Midland qualifying times.

We also hope to add a further targeted, or possibly 'supported', open in December - but full details of this meet are not yet available...

14 Dec - Wyre Forest Xmas County Qualifier
Wolverhampton Central Baths
Level 3 - short course

Swimmers should plan to enter one or two of these opens only.

Please check the websites of the host clubs for full details, including qualifying times, and decide which are the most appropriate meets to enter - but, as a guide, the short course Level 3 meets (County Development meet, plus the Northgate and Wyre Forest Opens) should be suitable for most swimmers aged 9 and over who are seeking 2015 County times; and the long course and Level 2 meets (Bristol and Nuneaton) are most likely to be suitable for the Performance squads and faster County swimmers (including some of our best 9-year-olds).

For further advice, please speak to your coach.
