Dear Member

The Council of the Harveian Society is keen to know your views on a couple of issues overleaf. These are aimed at improving attendance at functions and rejuvenating the Society's regular events.

The President and Council would be very grateful if you could consider the options on the reverse and then let us know your opinions. You can do this in a number of ways and it can be anonymous if you wish. You can return this form, you can speak to the President, a Councillor or me at a regular meeting, you can telephone or you can email me at the address above. I will be trying to collate opinion for the next meeting of the Council in May 2020.

We are particularly interested in your views on the formal functions and Folkestone. We have been entertaining the Mayor of Folkestone to lunch there annually for many years but last year just 5 members attended the lunch and the following ceremony despite advertising the event to the whole membership – it is a really pleasant day out!

Thank you, in advance, for doing this.

Yours sincerely

Mike Flynn
