THE HARVEIAN SOCIETY OF LONDON
Registered Charity No. 212233

REPORT OF THE COUNCIL

The Council presents its report with the accounts of the Society for the year ended 31 July 2018.

OBJECTIVES AND PRINCIPAL ACTIVITIES OF THE SOCIETY

The Society was founded on 15 September 1831 as The Western London Medical Society, and later that month was renamed The Harveian Society, in token of its resolution strictly to adhere to the course of observation and induction so successfully pursued by the illustrious discoverer of the circulation of the blood. In accordance with the Society's Laws, the principal business of the Society, and its charitable object, consists in **“the communication and discussion of facts and inferences relating to the several branches of medical science.”**

The Society's educational programme consists primarily of a series of lectures on medical and related matters. The Society is accredited to the Royal College of Physicians for CPD and credits are awarded for attendance at qualifying lectures. During the year covered by this report, there have been 7 Society Lectures in the programme.

- “Nobody Ever Brings Anything Small to the Bar” – a lecture on the reconfiguration of services in relation to colorectal cancer delivered by Mr Richard Novell MChir FRCS.
- “One Health – Where Science Meets Policy?” – a lecture by Professor Stuart Reid BVMS DVM FRSE MRCVS.
- “To the Brink of Death and Back Again” – a lecture on anaesthetics by Dr Alison Twigley MB BS FRCA.
- “Special Operations: Plastic Surgery and Disguise in WWII” – a lecture by Dr Roderick Bailey MA Phil PhD FRGS.
- “Spies and their Special Equipment” – A lecture by Mr Julian Barnard
- “Top Geopolitical Risks for the Year to Come” – A lecture by Mr Charles Hecker
- “Medical History on my Doorstep” – a lecture by Mr Richard Pusey TD FRCS

The President, Doctor Catherine Sarraf was a guest at the annual dinner of the Medical Society of London in March at The Chapter Hall, St John's Gate.

The annual pilgrimage to Folkestone for Harvey Memorial Sunday in June 2018 was once again a success with 10 members present. The Buckston Browne-Grey-Hill Dinner was held at The Oxford and Cambridge Club in Pall Mall on 13 June 2018. 48 Members and Guests attended. The Society awarded the Triennial Buckstone Browne Prize of £800 and Medal to Dr Stephen McAdoo and the Principal Guest was Professor Robin Williamson MD FRCS.

CHARITABLE DONATION AND AWARDS

The Society continued with its annual charitable work and donated the annual prizes to the Harvey Grammar School in Folkestone, The Folkestone Girls School and The King's School Canterbury where students received the Society's William Harvey Memorial Prizes (£150 each). The Society awarded two Harvey Travel Bursaries of £583 to Medical Students working at the William Harvey Hospital in Ashford, this closed the Travel Fund as directed by Council and the Trustees. Additionally, The Society intends to award two prizes from the Lister Boyd bequest of £1000 to medical students at UCL later in the calendar year.

THE COUNCIL STRUCTURE, GOVERNANCE AND MANAGEMENT

The Society is governed by Laws adopted in 1831 and last amended and approved at the AGM in 2016. An elected Council, which includes the Trustees of the Charity, is responsible for the governance of the Society. The Society consists of a President, elected for one year; a President-Elect, elected for one year; between two and four Vice-Presidents (the last two Past-Presidents and the last two Senior Honorary Secretaries) who hold office ex-officio for two years; an Honorary Treasurer, elected every five years; two Honorary Secretaries, elected annually each of whom serve no more than two years; an Honorary Archivist, elected every five years; up to twelve Councillors, elected annually for up to three years and two permanent members of Council, known as Trustees who act as Council nominees. With the exception of these last two who are elected by the Council, all other elections are by the membership. Council meets three times a year at which meetings the Society's financial performance is reviewed and decisions made and ratified. Since 1951 the Society has been administered by the staff of the Medical Society of London, on whose premises the Society's meetings are held. Council has delegated the exercising of the powers of the day to day management of the charity's affairs to the Executive Secretary (CEO), who is Registrar of the Medical Society of London, his deputy and a bookkeeper.

Doctor Alison Twigley took office as President in January 2017 and Doctor Catherine Sarraf was elected President-Elect for the 2018 Session. Doctor Sarraf became President in January 2018 and Doctor Robin Knill-Jones is the current President-Elect for the 2019 Session.

THE HARVEIAN SOCIETY OF LONDON
Registered Charity No. 212233

REPORT OF THE COUNCIL (continued)

FINANCIAL REVIEW AND RESULTS FOR THE YEAR

Following the transfer of the management of the Society's investment portfolio to Barclays Wealth, the portfolios of the General Fund and the three restricted funds were merged and the portfolio reconstituted with a higher proportion of funds held in Investment Trust. The funds are now a part of the Barclays Charity Fund to better protect them. The value is allocated to the four funds at the beginning of the period was as follows:

General	43.32%
Joseph Lister Boyd	37.52%
Buckston Browne	16.77%
Harvey Travel Fellowship	2.39%

Harvey Travel Fellowship has now been removed from the investments and the final awards were made in 2018. The remaining proportions of the Investments have been re-allocated as follows:

General	44.4%
Joseph Lister Boyd	38.4%
Buckston Browne	17.2%

1. **Unrestricted Funds**

a) **The General Fund**

The net assets of the General Fund are unrestricted by donors and totalled £77,900, £45,140 of which is represented by the value of the Society's pictures, books and regalia. The Statement of Financial Activities (SOFA) set out on page 7 is designed to reflect all incoming resources receivable in the year irrespective of when income is spent. Gross income decreased by £4,592 in the year to £17,647 with Subscriptions down by £834 and other income was also reduced, including the dividend from investments. Charitable expenditure was reduced by £3,134 against 2017 as there was no significant extra expenditure. Total resources expended of £24,668 (2017 - £25,853) resulted in a net deficit of £7,021 (2017 a deficit of £5,164). This includes the award of the two final Travel bursaries from the Harvey Travel Fund, which is now closed, and the award of Lister Boyd bursaries to medical students. The investment portfolio remains within the Barclays Charity Fund to better protect the funds and these have performed reasonably in a volatile year. The Society required a £7,000 drawdown from investments (nil in 2017 but £5000 in 2016 and in the preceding years). The overall value of investments therefore decreased this year by £2,413. After taking into account realised and unrealised gains on investments, the net movement in funds resulted in a deficit of £2,011 (2017 surplus of £4,763, 2016 deficit of £3,420).

2. **Restricted Funds**

a) **Joseph Lister Boyd Fund**

This fund was established in 1982 by Dr Joseph Lister Boyd and is used to provide funds to help medical students finance overseas electives during their training. Candidates are recommended by the London teaching hospitals and the annual interest earned by the fund is used to provide bursaries (increased to £1000 in 2018) to students selected by Council. The net assets of the fund stand at £62,432 and the net movement in the fund was plus £3,252. Awards were not made in this FY due to the programme of the receiving university, they will be awarded later in 2018.

b) **Buckston Browne - Gray Hill Fund**

Sir George Buckston Browne, FRCS, endowed the Buckston Browne Prize in 1924 in memory of his son, Colonel George Buckston Browne, DSO, RFA, who died in 1919. This prize is awarded triennially to a candidate with no more than 15 years since registration/qualification "whose contribution to medical science is judged to be most meritorious." In 1948 the fund was renamed, the Buckston Browne- Gray Hill Fund, in recognition of a bequest from Lt Colonel Sir Norman Gray Hill, Bart, MC, who was killed on active service in 1944. The fund also supports the annual commemorative celebration of the Society. The net assets of the fund stand at £23,667 and there was a net in year increase in the fund of £656 in year. An £800 prize and medal were awarded in 2018 and the fund supported the Annual Dinner in June 2017 as in previous years.

c) **William Harvey Travel Fund**

This small fund was established by Council in 1981 to mark the 150th anniversary of the founding of the Society. The fund was expended in full in 2018 and has been closed.

THE HARVEIAN SOCIETY OF LONDON
Registered Charity No. 212233

REPORT OF THE COUNCIL continued

STATEMENT OF COUNCIL'S RESPONSIBILITIES

The purpose of this statement is to distinguish the Council's responsibilities for the accounts from those of the independent examiner as stated in his report.

Charity Law requires Trustees to keep proper books of account with respect to the affairs of a charity, and to prepare statements of account for each accounting period consisting of an income and expenditure account and a balance sheet.

The members of Council and the Trustees of the Society are also responsible for safeguarding the charity's assets, and hence for taking reasonable steps for the prevention and detection of error, fraud and other irregularities.

In preparing the accounts Council is expected to:

- select suitable accounting policies:
- make judgements and estimates that are reasonable and prudent:
- follow the recommendations of the Charity Commission and of the accounting profession with regard to form and content of the accounts, or to disclose and explain any departures therefrom: and
- prepare the accounts on the going concern basis unless it is inappropriate to assume that the Society will be able to continue to meet its objective.

The Harveian Society of London
Registered Charity No. 212233

Notes to the Financial Statements
for the year ended 31 July 2018

1. ACCOUNTING POLICIES

Accounting

The financial statements have been prepared under the historical cost convention.

Income

Subscriptions are brought into the financial statements on receipt.

Dividends and interest, and the tax recoverable thereon, are brought into the financial statements when they are due.

Expenditure

Expenditure is inclusive of Value Added Tax

Special Funds and Bequests

Bequests and gifts are brought into the financial statements when received.

Pictures, Regalia, etc

The Society regalia, books and pictures were professionally valued for insurance purposes in 2011. The figure of £45,140 represents 40% of the full insurance value, being the assessed realisable value at auction. They will be held at this value until the next routine revaluation for insurance purposes.

Stocks

Stocks have been valued at cost.

Investments

Investments are shown in the accounts at their market value at 31st July 2018.

2. INCOME AND EXPENDITURE

The Unrestricted General Fund is shown in detail at 2a

Independent Examiner's Report to the Trustees of the Harveian Society of London

Registered Charity number 212233

I report to the trustees of the Harveian Society of London on the accounts for the year ended 31 July 2018 set out on pages 18-28.

Respective responsibilities of the trustees and examiner

The charities trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The Charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act,
- To follow the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act, and
- To state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a true and fair view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- The accounting records were not kept in accordance with section 130 of the Act, or
- The accounts did not accord with the accounting records
- The accounts did not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities(Accounts and Reports)Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
