Orchards have played a role in the therapeutic program of hospitals for hundreds of years.

Help us restore RNOH Stanmore's orchard to health and provide a source of fresh fruit to the hospital community.

Why

Learn how to **prune** fruit trees, contribute to restoring the **therapeutic role of orchard trees** at Royal National Orthopedic Hospital, Stanmore

When

10am – 3pm, **Mon 27th Jan, Sat 8th Feb & Mon 17th Feb**

Where

RNOH Stanmore, Brockley Hill, Stanmore HA7 4L, Access to orchard is from carpark behind the hospital restaurant.

 Free training  hot drinks provided 

 Bring gloves, boots and a warm coat
