Dear Parents and Carers

**Fundraising**

Following recent fundraising events and activities, the Pre-School has been able to purchase the following equipment for the children to use:

- CD Listening Centre
- Selection of new music CDs
- Rechargeable Torches
- Set of weighing scales for the maths area

In addition to this we have (with generous contributions of kitchen equipment/utensils) been able to set up a Mud Kitchen which the children have already begun to enjoy.

**Parents Group**

We are still in need to parents to help on the Parent Group.

- Class Rep - Blue Caterpillars (from September)
- Class Rep - Red Caterpillars (from September)
- Events Organisers (at least 2 people) - only 4 events per year
- Risk Assessment Team (2 people) - only once per term
- Parent Group Co-ordinator

Help from parents is vital to the way in which the Pre-School operates. Without this continued support with fundraising we will not be able to renew resources as quickly as we would like.
