Learning in Communities Award

Win £5,000 to turn a learning idea into a reality

Sign Up Now has teamed up with UnLtd to offer individuals and informal learning groups an exciting opportunity from September. To celebrate Sign Up Now's mission to engage new and different adult learners in better quality learning of all kinds, UnLtd is offering the opportunity to win a Learning in Communities Award. Individuals and informal learning groups who have an innovative idea to get adults in the community back in to learning, can apply for the Award of up to £5,000 and a complete support package to help get the idea off the ground.

UnLtd, the Foundation for Social Entrepreneurs, is a leading UK charity supporting individuals who have the vision, drive, commitment and passion to change the world for the better. For more information about the Award and UnLtd, visit www.unltd.org.uk/learningincommunities or call 0845 850 1122 to speak to an adviser from UnLtd.

News: Grants available for DTLLS Courses

Following discussions with the department for Business, Innovation and Skills (BIS), the Institute for Learning (IfL) will be administering government grants to offset the cost of initial teacher training (ITT) for teachers who are studying a part-time, 'in-service', Diploma in Teaching in the Lifelong Learning Sector (DTLLS) from September 2010.

Further education (FE) providers will be able to claim a flat rate, non means tested, grant of £400 per individual teacher or trainer through IfL for those who are IfL members. The current agreement is valid only for the 2010-11 financial year.

Further information about this opportunity are available [on the IfL website](#).

Further details will be posted on the [Employers Area](#) of the IfL website when they become available.

Tesco Charity Trust Community Awards (UK)

The Tesco Charity Trust has announced that it will start accepting applications for projects that support the Elderly, and Adults and Children with disabilities from 1st August until 30th September 2010. The funding is available to community and voluntary groups who can apply for grants of between £1,000 and £5,000. In addition, the Trust also provides grants for projects that support children's education and welfare. Applications to support projects that support children's education and welfare will re-open for applications on the 1st December 2010, and will close for applications on the 31st January 2011. The Co-operative Group – Community Fund (UK)

The Community Fund is the Co-operative Group's main grant making programme. Charitable organisations and community groups can apply for grants of between £100 and £2,000 (£500 if the applicant is a newly formed group), to help them find co-operative solutions to community challenges. The Co-operative Group is particularly interested in supporting locally led and run groups that can demonstrate co-operative values and principles, such as self-help, equality, democracy and concern for the community. Last year the total funding available was over £1 million. Applications can be submitted at any time. Go to: <http://tinyurl.com/36v4a9j>

Schools Stand Up 2 Racism Project

Tackling racism in Cheshire's schools is at the heart of a new Big Lottery funded project being launched by Cheshire, Halton and Warrington Race and Equality Centre (CHAWREC). Working in partnership with Manchester Metropolitan University (MMU), '**Schools Stand Up 2 Racism**' will research the levels of racism experienced by pupils with the aim of developing ways to help schools identify and tackle it.

Anecdotal accounts of racism gathered from young people and their parents in the course of CHAWREC's work highlighted the need for further investigation, culminating in a successful bid to the Big Lottery Research Programme. Shantele Janes, CHAWREC's Director said that the Centre had long been keen to work directly with young people 'this research will be so important in understanding the issues young people face and in enabling us to work together with schools to give pupils a more positive experience. It will greatly enhance our ability to achieve CHAWREC's aim of tackling racism in all its forms'. Researchers will work with teachers and pupils to gather data about racist incidents and share ideas and best practice about dealing with them.

An important part of the project will be the role of volunteer community researchers, who will be trained in research methods by the University and assist in collecting and analysing the data. This offers a unique opportunity for volunteers to gain valuable research skills and get hands on experience in a variety of methods. Anyone can volunteer, regardless of experience; all that's needed is enthusiasm and a commitment to contribute towards tackling racism in schools.

If you are interested in volunteering or finding out more about Schools Stand Up 2 Racism, please contact Mandy Roberts, CHAWREC Project Officer on 01244 400730 or mandy@chawrec.org.uk.

Secure, easy-access, online recruitment
tool

The NWPA Register (formerly the Cheshire PA Register), owned and run by Age Concern Cheshire and Cheshire Centre for Independent Living acting as facilitators only, now operates across the North West Region, providing a more automotive site.

The Register is designed to bring together people seeking employment as a Personal Assistant (PA) and Employers looking for potential Personal Assistants.

For employers seeking a PA the service offers cost effective advertising, proven recruitment success, and direct access to people who want to be a PA for a subscription fee that gives unlimited access. (ie £20 plus vat for a one month subscription)

For PAs the NWPA Register offers free registration on completion of our one-off application form that then allows access to all local and regional vacancies placed on the site.

Cheshire West and Chester, is celebrating after achieving the National Quality Mark for home improvement agencies.

Home improvement agencies help older or vulnerable homeowners and private tenants by repairing, improving, maintaining or adapting their homes to help them stay independent and live comfortably and safely in their own homes.

Since 1995, Anchor Staying Put - Cheshire West has offered a range of services to help local people improve their homes and enhance their quality of life. More importantly, the services they offer mean that they help people to stay living in their own homes, which otherwise may not have been possible.

The agency offers a range of services including a Small Repairs Service (small jobs provided at low cost such as fitting grab rails, minor repairs or putting up shelves to help older or vulnerable people to stay safe, secure and comfortable in their own homes) and a Core Service (information and practical support to help people in respect of larger home repairs, improvements, maintenance or adaptations).

Last month, Foundations, the National Body for Home Improvement Agencies awarded Anchor Staying Put – Cheshire West with their Quality Mark after the agency achieved a higher than average score in all assessment areas.

Dianne Harris, Agency Manager, said, “As an agency we are really pleased to have achieved Quality Mark to such a high standard – I feel it is a mark of achievement and validates the commitment and dedication of the staff within the agency. The staff work exceptionally hard to deliver the service that we do and there is a considerable amount of skills, knowledge and experience represented within the team. Everyone is really pleased that the work they do has been recognised to the level it has.”

If you want to know more about the services Anchor Staying Put provide, call 0151 355 1313 or 01606 590893, or e-mail stayingput.cheshirewest@anchor.org.uk.

PRESS RELEASE

Have Your Say about Local Pharmacists and Pharmacy Services

Central & Eastern Cheshire Primary Care Trust is developing its Pharmaceutical Needs Assessment (PNA), which is looking at local pharmacy services and making sure local communities are well served.

This consultation will become the basis of decision making when applications are received for new pharmacies, or when new pharmacy services are being considered.

The consultation process begins on the 1st September 2010 and finishes on the 31st October 2010. The draft PNA document is available to you by logging on to www.cecpct.nhs.uk or by phoning 0800 5877 888 and requesting a paper copy.

Gail Curphey, Associate Director for Medicines Management and Pharmacy at the Primary Care Trust said;

“When developing the PNA we must have regard to many things. We must ensure that Community Pharmacists are able to provide local people with a wide range of high quality services, which are delivered in the right place, at the right time and which address the health needs of different localities within the PCT.

Gail continued; “This is not just about dispensing prescription medicines but also the other services pharmacies provide such as help to stop smoking, minor ailments and emergency contraception”.
