

## Friends of Keston Common, Ravensbourne Open Space & Padmall Wood Activity Mornings : Mar 2020 - Apr 2020

All Friday mornings begin at 10am. Tea, coffee and biscuits will be provided as well as gloves, goggles and tools as required. Tasks may occasionally vary from those listed but the **meeting place** will always be **Westerham Road car park** for 20 minutes litter picking around the ponds before moving to the main task.

Joint tasks with the Bromley Countryside Volunteers (BCV) or London Wildlife Trust (LWT) begin at 10.30am and end at about 3pm. Meeting place will be on site at the location defined for the task. If you stay for the whole day you will need to bring your own refreshments.

All conservation work is carried out under the supervision of idverde, contractor to the London Borough of Bromley. For those activities that are idverde-led either Steven Lofting (SL), Ian Wright (IW) or Darren Russell (DR) will be leading.

PLEASE NOTE: The tasks in this programme are the main task for the day and if you don't feel that the task is for you please do come out anyway because there are always other things that can be done, by anybody of any ability or age. The main thing is that you enjoy yourself and we get things done that we would struggle to achieve without the help of volunteers. All volunteers need to read and acknowledge the risk assessments before starting work on idverde led tasks.

Date	Main task
Fri 06 Mar '20	<b>idverde led task (SL/IW):</b> Work on Heathfield Road site, scalloping of scrub and INNS control as well as burning up arisings on the heathland, treatment of stumps and gorse pulling.
Fri 13 Mar '20	<b>Self led task:</b> Molinia thatch rake in main bog and tree popping of any saplings.
Fri 20 Mar '20	<b>idverde led task (SL):</b> Remedial works to Valley Mire area, leaky dams and competitive species control.
Fri 27 Mar '20	<b>Self led task:</b> Molinia thatch rake in main bog and tree popping of any saplings continued.
Fri 03 Apr '20	<b>idverde led task (SL):</b> Post and rail along bridleway near Lakes Road.
Fri 10 Apr '20	<b>Self led task:</b> Gorse seedling control on the Heathland along edge of central path. No large and dense gorse to be cut – risk of breeding birds.
Fri 17 Apr '20	<b>idverde led task (SL):</b> Post and rail along bridleway (to be confirmed).
Fri 24 Apr '20	<b>Self led task:</b> Gorse seedling control on the Heathland plus potential bracken clearance. No large and dense gorse to be cut – risk of breeding birds.
Wed 29 Apr '20	<b>Joint Session with idverde and Bromley Countryside Volunteers (SL):</b> Driven post and rail by Pond 4.
