NOVEMBER

REMEMBER THEM

In known and unknown graves they rest, the young, the bravest and the best. They too loved well what life could give, and yet they died that we might live. Twice in half a hundred years, the price was paid in blood and tears. Twice we faced the German threat, and twice the challenge has been met. Let not memory's lamp burn low as generations come and go. Sing out their glorious requiem. Remember them. Remember them.

It is not until it is stripped of all its leaves that you can see the characteristics of each tree. The massive and generous bough structure of the beech, the majesty of the oak, the straightness of the birch and the grace of the larch. So, it is with our friends. It is not until we have shared some great experience that we see each other as we really are. When the winters come and the big winds blow, superficialities and pretences are stripped away, revealing the bare bones of affection in all their strength and beauty.

THOUGHT FOR THE MONTH

When life isn't a bed of roses - remember who wore the thorns.

COMMUNITY EVENTS FOR SEPT/OCTOBER

Hymns & Pimms - an evening to say goodbye to Fr. Andrew and Sue. See page 7 for a write up of evening.

Radio Comedy - John Wood had the audience laughing in the aisles with extracts of radio comedians from yesteryear!

David Price (author of the Cancan) gave an amazing talk on the history of this dance. Did you know the first Cancan dancers were men? Or that the original dance was a ballroom dance in pairs with scandalously close body contact! The French word cancan means scandal or gossip. David illustrated his talk with film clips, and contemporary photos, cartoons and paintings. He also donated some money to All Saints from the sale of his beautiful books.

Art Exhibition - we had 108 paintings from 28 artists. Young and older people came to visit and remarked on the lovely atmosphere, the superb cakes and the amazing abilities of the artists. Over 100 people visited. If you follow Treasure Quest on the radio All Saints should have been the last venue. Unfortunately they never got to us (I was the Treasure) so they interviewed me in the carpark about the exhibition. Good publicity anyway!

Sure Thing Jazz - another excellent evening with Liam Halloran, Su Sturman and friends. Liam's talent with his vibraphone and his new pick-up system is second to none. The pick-up system gives Liam much more scope with the range of music that he can play! Not to be missed another time. He's promised to come back again next year - maybe with his own group

MEDITATIONS ON MINDFULNESS

- A problem looked at another way may be a solution. Mould growing unpromisingly in a pan of water became penicillin when someone looked at it creatively. It's easier to put up with life's irritations if you hold on to this idea. Rain may seep into your shoes and make you groan, but without it the crops would not grow and we would all die of starvation.

When you change the way you look at things, the things you look at change.

Wayne Dyer.

- An unforgiving attitude brings ceaseless damage. An unforgiving person is like a city whose traffic is completely congested. The roads are blocked, cars cannot move, they stand waiting, their engines running, spewing out exhaust fumes, poisoning the air. People are frustrated and immobilised, all communication stops, no-one enjoys life.

Forgiveness is the key to action and freedom

DEADLINE

The deadline for the next edition of Saints Alive! is Sunday **20th November**. The **December** edition will be available in church from **Sunday 27th November**.

PIMMS & HYMNS

A brilliant and inspiring occasion with a church full of people who came to ensure that Father Andrew would know just how much he is loved and appreciated for his seven years ministry at All Saints. It was very clear from the diverse institutions represented that his ministry went far beyond the walls of this church. His parish reached out to five schools, three residential homes, messy church, Rockingham Road Baptist Church, Friends of Rockingham Road Pleasure Park, and others. They came to join in with the congregation of All Saints to express their appreciation with words and gifts. Particularly poignant was a lovely canvas presented by messy church. The canvas was decorated by a box containing a host of coloured balloons, each balloon bearing a finger print lovingly placed on the strings. A reminder of many lovely children, each one unique and real. They will remember the fun they had with the Bible stories Fr. Andrew acted with them. Our residential homes were represented. Father Andrew's ministry was a reminder that they were still important in the kingdom of God. The tables and chairs were arranged in café style, reflecting worship and socialising, the two-fold ministry of Jesus. First, Communion was celebrated followed by the hymn "Come Down O Love Divine". A reminder of Jesus our brother, who walks with us the road of our world's suffering. The hymns between the refreshments (Pimms, bread and cheese) and presentations, were sung with real meaning and purpose. "In Christ Alone", "Beauty for Brokenness", "Angels Singing" and "Longing for light". An amusing surprise appearance of Rev and Vera, our resident puppets added to the relaxed and happy atmosphere. Those present felt they had been refreshed in Soul and Spirit, challenged by the words of Father Andrew - "Forwards into the Future". Many thanks to all who worked and contributed to make the event such a memorable occasion.

MESSAGE FROM FATHER ANDREW

Please pass on our grateful thanks to the PCC and congregation at All Saints. Sue and I have thoroughly enjoyed our almost seven years with you and your parting gifts were very generous. The flowers, beautifully arranged by Jenny, have adorned the lounge for the last week or so and we are going to use the money you collected to build a water feature in our garden so that we will have a beautiful space in our garden, as well as our hearts, to remember you all.

We are also very grateful for all the cards and gifts which we received from individual members of the congregation. All the kind wishes were almost overwhelming and we both needed a period of peace and quiet reflection. This is why we went down to Dorset for a few days. We spent some time walking the Dorset coast path. We only managed a few miles but the ups and downs were equivalent to tackling a small mountain which left us both physically exhausted: an appropriate way to reflect on the last seven years, perhaps? Not really - there were far more ups than downs in our time at All Saints which left us on quite a high after we had said good bye to you all.

We shall continue to live in Barton Seagrave for the time being and hope to see many of you around and about.

With all good wishes,

Sue and Andrew

OTHER WAYS TO GIVE FINANCIALLY TO ALL SAINTS

My grandma always used to say to me the well-known saying "save the pennies and the pounds will save themselves". This can also be true for finances here at All Saints. I can honestly say that we certainly are not 'rolling in money', we do not have secret 'reserves' of money to use if needed, and in fact we just about break even most of the time. But I am also aware that we are a generous church which is obvious at times such as Harvest and the Toy Service and I know we all give what we can through our stewardship, but I don't want to talk about stewardship just yet, that is to come another time soon! I want to try to make you aware of little things you can do which, when all added up, can make a big difference to our finances, things that may not seem much to you at the time, but can surprisingly add up!

Firstly, when on your pc or laptop at home, make www.easysearch.org.uk your home page, and then list All Saints Church Kettering as your cause. Easysearch is a free charity search engine that enables you to raise funds for the good cause of your choice whenever you search the Web. Easysearch tracks down and displays only the most relevant and accurate results for your search, while helping you raise valuable funds for your good cause at the same time. For every search you make we receive a small amount of "commission"

just make sure that All Saints Kettering is listed as your "cause", this does not cost you, or us anything!

Following on from this, especially with us all starting our Christmas shopping, and many of us now shop online, before you go to your shops web site, go to www.easyfundraising.org.uk Then again list All Saints Church Kettering as your cause, then once registered search for your on-line shop and follow the link from easyfundraising.org.uk, who will credit a percentage of your total bill to All Saints Church at the click of a finger, at no extra cost to you! Pass this on to your friends and family - it doesn't take long to sign up and support us. The few of us who do this already have raised over £200 for All Saints. All those small amounts of commission do add up!

Next, do you buy small items for the church, but don't claim the money back ie stationery supplies, cleaning equipment, resources for scramblers, in fact anything! I am sure that most of us do buy small things now and then for the church, if you are a tax payer and I have a Gift-Aid form filled in for you (ask me if you're not sure, and if so I can give you one!) we can claim the "gift aid" on anything you buy, which is 25% of your total spend. All you need to do is fill in a "Gift Aid in Kind" form for me, which I shall make readily available, this form turns your receipts into a "donation" to the church. We claim our "gift aid" for All Saints quarterly, and it's amazing how all those small receipts can add up over 3 months, and if we all did this, it would add up even more! So do start keeping your small receipts and ask me for the form!

A great way to help financially is to support All Saints fundraising events. Whether it be coming along, or providing items such a raffle prizes, or even helping with refreshments, setting up and clearing away. We are always desperate for helpers for all our events so do speak to Angela or Richard about this.

Sponsor our 'Saints Alive!' magazine or make a donation towards flowers in church in memory of a loved one. Speak to Angela for more details.

Smartie Tubes! Again, see Angela about this. She will provide you with a tube of Smarties, all we ask is that you return the tube back to us filled with your loose change.

Lastly, if you do not already do this, please consider being a part of our Stewardship giving. If you would like our bank details for a monthly regular standing order, do talk to me.

If you prefer weekly stewardship envelopes, again do ask me. Even a small amount every week in an envelope can add up, maybe even if you already give via monthly standing order, consider also having envelopes to donate your extra loose change every week, all these small amounts do add up!

Many thanks

Your Treasurer - Marie Morrison

HOUSE GROUP

One of Fr. Andrew's achievements was the introduction of a House Group. For the last twelve months or so the group has been meeting on a regular basis and has been well attended by about a dozen people. We are very fortunate to have Lyn & Alan Ridley who not only organise the meetings, but also have been the hosts. They have now begun a 'House Group Leaders' course which is run by the Diocese. The purpose of this group is to promote a better understanding of the Bible, of faith and of worship and prayer, and an opportunity to share in Christian Fellowship. As you can see from the programme, there will be a series of meetings in the new year, including a weekly meeting during Lent. To ease the burden on Lyn & Alan, we have started to hold meetings at other venues and these will be advertised each month. Our next meeting will be held on Wednesday 6th November at 7 Edith Road (NN16 OPZ) and our December meeting will be a pre-Christmas social event. (Date & venue to be decided). We will be pleased to welcome new members to our group, and if numbers become too big for one house to accommodate, we can start another group. As Bishop Donald has said, *"a healthy House Group means a healthy church."*

Thank you, Lord, for giving us the ability to laugh at ourselves. To all who have received pass this gift on to others.

BELIEVE IT OR NOT!

The Revd. Martin of Guildford seemed to be fated when it came to bird names. Listen to this:

Some time ago he baptised three babies. Their surnames were Starling, Gosling and Martin (The last his own daughter). Standing by the font were Miss Raven and Miss Crowe. A week later he married a policeman named Mr. Eagle to a charming young lady by the name of Miss Swann. At that time Mrs. Bunting was a church member and the Revd. Dove a local Methodist minister. There was a Lark amongst the confirmation candidates. Mrs. Wrenn was a member of the Mother's Union and Olive Jay belonged to the Scripture Union. The printer of the church magazine was a man named Mr. Goose.

When the Revd. Martin moved, he went to Hatcham. His new verger's name was Crane and two of the City Missionaries were Messrs. Thrush and Robin!
