

### **BLOW AWAY THE WINTER BLUES!**

### **NEW DESTINATIONS ALL GREAT VALUE!**

### *Happy New year to you all.*

In 2016 we ran almost 200 trips, a busy year. We had relatively few cancellations and we apologise to anyone that was affected. We will only cancel trips if there are not enough passengers booked to cover our costs. You will appreciate that as a charity we cannot run trips at a loss to DACT. With so many trips available it is inevitable that we will have some cancellations. In contrast there were a number of trips where demand was so high that we had to run 2 buses! For 2017 we think we have a good selection of trips, including a number of new venues suggested by our members. Don't forget it is always worth going on the waiting list if your trip is fully booked at the time you contact us.

Note:

- **Car Parking.** Due to the parking restrictions now imposed by Tesco we plan from January 2017 to have 2 pickups. The first will be at the Brook Street Car Park (the old Gasworks) for those travelling in by car. From there we will proceed to New Street Bus Station. The time shown for each trip is the scheduled departure time from New Street. The pickup from Brook Street Car Park will be 25 minutes before the scheduled departure time and the driver will wait a maximum of 5 minutes. We will have a drop off at Brook Street Car Park at the end of the trip.
- Accessibility varies across the venues that we visit – some have full access for wheelchairs etc and some partial access. If you have any concerns regarding accessibility we would request that you contact the venue and talk to them directly, or access their website. We can assist in providing contact numbers if necessary.
- If you want a travel scooter for a trip you can always hire one from DACT Mobility. We do ask you to talk to the office first, to make sure we have the right type of bus available. (N.B. Some venues do provide Scooters making it unnecessary to take your own. Ask the DACT Office if you need more details)
- **Cancellations can affect a lot of people.** Eg: They may result in trips being cancelled due to insufficient numbers, members losing the opportunity to get group rate entry or trips run at a loss to DACT. Please understand that to be fair to all our members we have to be consistent in applying our cancellation policy.

If you have any kind of mobility difficulties which you think we should be advised of, please notify us. (e.g. you perhaps need to bring a tri-walker on a trip)

#### Points to note:

- Booking will be on a first-come first served basis. For trips that are fully booked we will run a reserve list and contact people on that list if seats become available through cancellations.
- There are **NO** age restrictions applicable to DACT Days Out, but unfortunately all seats are charged at the same rate. This also applies to carers of wheelchair passengers etc.
- Price quoted is for return travel only. Admission charges are not included, unless otherwise stated. Food, drink etc is excluded.
- Payment in cash should be made to the driver on the day of the trip unless stated otherwise.
- Pick-ups The bus will leave from Daventry Bus Station at the time stated in trip details. **We will wait a maximum of 5 minutes only, in fairness to other passengers.** If a number of passengers from the same area are travelling, it may be possible to arrange another pick-up point en-route.
- **Drop offs - Passengers within Daventry Town may be dropped off close to home on the return trip where practicable. This is purely a courtesy by the driver and we would ask passengers not to abuse this courtesy.**
- DACT will do their best to make sure every trip operates as advertised. However in circumstances beyond our control or minimum numbers not being met, we may have to change or cancel – we cannot run these trips at a loss to DACT.
- Trip Information is obtained from a variety of sources. We try to give a fair summary of a destination but we cannot guarantee that all the content we may use is totally accurate.
- **Trolleys.** We can carry shopping trolleys but they must be booked in advance as there is only limited storage space on our buses.
- ***CANCELLATIONS. Please be aware that if you cancel your booking late, you prevent others from travelling on the trip who would otherwise have been able to go, and also if buses then get insufficient numbers, they run the risk of being cancelled. Please only book if you definitely intend to travel. All bookings are taken on trust without a deposit and we do not want to change this procedure to avoid heavy administration. Any trip cancelled at less than 5 full working-days notice prior to the trip date (or a no-show on the trip day) will incur the full trip cost as it is unfair to other passengers to have their trip cancelled at short notice. Please pay to the DACT Office as soon as possible.***
