

DAYS OUT

Sept - Dec 2016

**COME AND JOIN IN
THE FUN!**

**DAYS OUT TRIPS
ARE FOR ALL AGES**

**NEW DESTINATIONS
ALL GREAT VALUE!**

Well here we are approaching the end to another year. After a disappointing start in early May we have had great support for the remainder of the 4 month period. We hope you have enjoyed the trips you have been on – despite all the rain we had in June! As always we welcome any feedback, good or bad. We also welcome suggestions for new venues. We do review them all.

Note:

- Some trips get booked up very quickly. If you cannot get on a trip it is always worthwhile to go on the 'waiting' list. If demand is sufficient we will always put on extra buses. Also it is always a possibility that cancellations will make spaces available.
- Accessibility varies across the venues that we visit – some have full access for wheelchairs etc and some partial access. If you have any concerns regarding accessibility we would request that you contact the venue and talk to them directly, or access their website. We can assist in providing contact numbers if necessary.
- If you want a travel scooter for a trip you can always hire one from DACT Mobility. We do ask you to talk to the office first, to make sure we have the right type of bus available. (N.B. Some venues do provide Scooters making it unnecessary to take your own. Ask the DACT Office if you need more details)
- **As a courtesy to other members and DACT, we once again ask you to only book trips you are committed to go on. Cancellations can affect a lot of people. They may result in trips being cancelled due to insufficient numbers or members losing the opportunity to get group rate entry. To mitigate any losses we may suffer on a trip because of cancellations we have amended our cancellation policy – some members appear to be slightly confused when we ask them to pay when cancelling late, so to be absolutely clear, full payment is required if cancelling trips with less than 5 full working days notice - full details, please see the conditions at the end of this leaflet. We have to do this to keep the whole DACT Days Out Scheme viable.**

If you have any kind of mobility difficulties which you think we should be advised of, please notify us. (e.g. you perhaps need to bring a tri-walker on a trip)

Points to note:

- Booking will be on a first-come first served basis. For trips that are fully booked we will run a reserve list and contact people on that list if seats become available through cancellations.
- There are **NO** age restrictions applicable to DACT Days Out, but unfortunately all seats are charged at the same rate. This also applies to carers of wheelchair passengers etc.
- Price quoted is for return travel only. Admission charges are not included, unless otherwise stated. Food, drink etc is excluded.
- Payment in cash should be made to the driver on the day of the trip unless stated otherwise.
- Pick-ups The bus will leave from Daventry Bus Station at the time stated in trip details. **We will wait a maximum of 5 minutes only, in fairness to other passengers.** If a number of passengers from the same area are travelling, it may be possible to arrange another pick-up point en-route.
- **Drop offs - Passengers within Daventry Town may be dropped off close to home on the return trip where practicable. This is purely a courtesy by the driver and we would ask passengers not to abuse this courtesy.**
- DACT will do their best to make sure every trip operates as advertised. However in circumstances beyond our control or minimum numbers not being met, we may have to change or cancel – we cannot run these trips at a loss to DACT.
- Trip Information is obtained from a variety of sources. We try to give a fair summary of a destination but we cannot guarantee that all the content we may use is totally accurate.
- **Trolleys.** We can carry shopping trolleys but they must be booked in advance as there is only limited storage space on our buses.
- ***CANCELLATIONS. Please be aware that if you cancel your booking late, you prevent others from travelling on the trip who would otherwise have been able to go, and also if buses then get insufficient numbers, they run the risk of being cancelled. Please only book if you definitely intend to travel. All bookings are taken on trust without a deposit and we do not want to change this procedure to avoid heavy administration. Any trip cancelled at less than 5 full working-days notice prior to the trip date (or a no-show on the trip day) will incur the full trip cost as it is unfair to other passengers to have their trip cancelled at short notice. Please pay to the DACT Office as soon as possible.***
